Review for the NCLEX PN Examination 9th Edition provides everything you need to prepare for success on the NCLEX PN. The book includes a review of all nursing content areas, more than 4,600 questions for the NCLEX detailed rationales test, taking tips and strategies, and questions for the Next Generation NCLEX NGN. The Evolve companion website simulates the exam-taking experience with customizable practice questions along with realistic practice tests. Based on Silvestri's proven Pyramid to Success, this complete review is a perennial favorite of students preparing for the NCLEX. More than 4,600 practice questions in the text and on the Evolve companion website offer ample testing practice. Detailed test-taking strategy is included for each question, offering clues for analyzing and uncovering the correct answer option with rationales provided for both correct and incorrect answers. Pyramid Points icons indicate important information identifying content that is likely to appear on the NCLEX PN examination. Pyramid Alerts appear in red text, highlighting important nursing concepts and identifying content that typically appears on the NCLEX PN examination. Priority Concepts, two in each chapter, discuss important content and nursing interventions and reflect the latest edition of Giddens' Concepts for Nursing Practice text. Priority Nursing Action boxes provide information about the steps nurses will take in clinical situations requiring clinical judgment and prioritization. New graduate's perspective is offered on how to prepare for the NCLEX PN in addition to nonacademic preparation, the CAT format, and test-taking strategies. Mnemonics are included to help you remember important information. Alternate item format questions cover multiple response, prioritizing, ordered response, fill in the blank, figure illustration, hot spot, chart exhibit, and audio questions. Practice questions on the Evolve companion website are organized by content area, cognitive level, client needs area, integrated process, health problem, clinical judgment, and priority concepts, allowing completely customizable exams or study sessions. Audio review summaries on the Evolve companion website cover pharmacology, acid-base balance, and fluids and electrolytes.
