Nightwalker Heather Graham, 2009-04-01 Jessy Sparhawk has seen firsthand how gambling can ruin people's lives. But one night desperate for money, she places the bet that will change her life forever. Just as she's collecting her winnings, a man stumbles through the crowd, a knife protruding from his back, and crashes into her, pinning her to the craps table. Hired to investigate the murder, private detective Dillon Wolf finds himself fascinated by the gorgeous redhead who'd been trapped beneath the victim, and by the single word the dying man had whispered in her ear: Indigo. What neither of them realizes is that the nightmare is only just beginning. Because bodyguard Tanner Green may have been killed by that knife, but his angry ghost isn't going anywhere, not without vengeance. Now literally caught between the living and the dead, Dillon and Jessy have no choice but to forge ahead together. Their investigation will take them from the glitz of the Vegas strip into the dealings of casino magnate Emil Landon, the man who signs both their paychecks, and out into the desert to a ghost town called Indigo, where past and present come together in a search for gold. Years ago, blood was shed on that very ground, and now it looks as if history is about to repeat itself with the living and the dead facing off for possession of a fortune, and Dillon and Jessy fighting not only to stay alive but for the chance to build a future

Menus and Memoirs of a Yacht Chef Marianne J. Gardner, 2011 Thai prawn coconut soup served in a coconut shell followed by steaming aromatic osso buco on creamy potato, celeriac, and French beans; almondine with Belgian flourless chocolate torte on crème sabayon for dessert. This is just one of many menus I created for a yacht during my adventures at sea. Throughout my years working as a chef on private yachts, I have often been asked, "What kinds of meals are served on these luxurious yachts?" This cookbook answers that question, providing many of the recipes and menus that I have used on board yachts. Each of the ten chapters describes a yacht and its worldwide cruising destination, and the full course menus and individual recipes that were created on the journey. The ingredients, dishes, and wines reflect the specialties that are enjoyed in each region of the world. Whether you prepare an entire meal or design your own menu using one of the many recipes in this book, you'll find the recipes clear and easy to follow. They are written in simple terms using measurements, equipment, and ingredients that can be found in most kitchens. All of the courses have been wine paired by a professional.
