Bower,2018-01-14 Excerpt from S kyrider Venus when he knew very well that his place was out in the big corral riding some Of those broom tail bronks that he was being paid a salary a good salary for breaking Mary V thought that her father ought to be told about the way Johnny was spending all his time writing Silly poetry about Venus It was the first she had ever

known about his being a poet Though it was pretty punk in Mary V s Opinion She was glad and thankful that Johnny had refrained from writing any such dog gerel about her That would have been perfectly in tolerable That he Should write poetry at all was intolerable The more She thought of it the more intolerable it became Just for punishment and as a subtle way of letting him know What she thought Of him and his idiotic jingle she picked up the tablet found the pencil J Ohnny had used and did a little poetizing herself She could have rhymed it much better Of course if she had condescended to give any thought whatever to the matter which she did not Condescension went far Enough when She stooped to reprove the idiot by finishing the verse that he had failed to finish because he had already overtaxed his poor little brain About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Skyrider B M Bower,2020-02-28 Johnny Jewel heaved his weary bones off his bed and went stiffly to answer the phone Reluctantly as well for he had not yet succeeded in formulating an excuse for his absence that he dared try on old Sudden Selmer Excuses had seemed so much less important when temptation was plucking at his sleeve that almost any reason had seemed good enough But now when the bell was jingling at him no excuse seemed worth the breath to utter it So Johnny s face was doleful and Johnny s red rimmed eyes were big and solemn
