Slave Gamble English Edition:

Reckoning with Slavery Jennifer L. Morgan, 2021-04-26 In *Reckoning with Slavery* Jennifer L. Morgan draws on the lived experiences of enslaved African women in the sixteenth and seventeenth centuries to reveal the contours of early modern notions of trade race and commodification in the Black Atlantic From capture to transport to sale to childbirth these women were demographically counted as commodities during the Middle Passage vulnerable to rape separated from their kin at slave markets and subject to laws that enslaved their children upon birth In this way they were central to the binding of reproductive labor with kinship racial hierarchy and the economics of slavery Throughout this groundbreaking study Morgan demonstrates that the development of Western notions of value and race occurred simultaneously In so doing she illustrates how racial capitalism denied the enslaved their kinship and affective ties while simultaneously relying on kinship to reproduce and enforce slavery through enslaved female bodies

The Battle of New Orleans in History and Memory

Laura Lyons McLemore, 2016-11-14 The Battle of New Orleans proved a critical victory for the United States a young nation defending its nascent borders but over the past two hundred years myths have obscured the facts about the conflict In *The Battle of New Orleans in History and Memory* distinguished experts in military social art and music history sift the real from the remembered illuminating the battle's lasting significance across multiple disciplines Laura Lyons McLemore sets the stage by reviewing the origins of the War of 1812 followed by essays that explore how history and memory intermingle Donald R Hickey examines leading myths found in the collective memory some embellishments originating with actual participants and others invented out of whole cloth Other essayists focus on specific figures Mark R Cheatham explores how Andrew Jackson's sensational reputation derived from contemporary anecdotes and was perpetuated by respected historians and Leslie Gregory Gruesbeck considers the role visual imagery played in popular perception and public memory of battle hero Jackson Other contributors unpack the broad social and historical significance of the battle from Gene Allen Smith's analysis of black participation in the War of 1812 and the subsequent worsening of American racial relations to Blake Dunnivant's examination of leadership lessons from the war that can benefit the U S military today Paul Gelpi makes the case that the Creole Battalion d Orleans became protectors of American liberty in the course of defending New Orleans from the British Examining the European context Alexander Mikaberidze shows that America's second conflict with Britain was more complex than many realize or remember Joseph F Stoltz III illustrates how commemorations of the battle from memorials to schoolbooks were employed over the years to promote various civic and social goals Finally Tracey E W Laird analyzes variations of the tune *The Battle of New Orleans* revealing how it has come to epitomize the battle in the collective memory

The American Slave Coast Ned Sublette, Constance Sublette, 2015-10-01 American Book Award Winner 2016 *The American Slave Coast* offers a provocative vision of US history from earliest colonial times through emancipation that presents even the most familiar events and figures in a revealing new light Authors Ned and Constance Sublette tell the

brutal story of how the slavery industry made the reproductive labor of the people it referred to as breeding women essential to the young country's expansion. Captive African Americans in the slave nation were not only laborers but merchandise and collateral all at once. In a land without silver, gold, or trustworthy paper money, their children and their children's children into perpetuity were used as human savings accounts that functioned as the basis of money and credit in a market premised on the continual expansion of slavery. Slaveowners collected interest in the form of newborns who had a cash value at birth and whose mothers had no legal right to say no to forced mating. This gripping narrative is driven by the power struggle between the elites of Virginia, the slave-raising mother of slavery, and South Carolina, the massive importer of Africans, a conflict that was central to American politics from the making of the Constitution through the debacle of the Confederacy. Virginia slaveowners won a major victory when Thomas Jefferson's 1808 prohibition of the African slave trade protected the domestic slave markets for slave breeding. The interstate slave trade exploded in Mississippi during the presidency of Andrew Jackson, drove the US expansion into Texas, and powered attempts to take over Cuba and other parts of Latin America until a disaffected South Carolina spearheaded the drive to secession and war, forcing the Virginians to secede or lose their slave breeding industry. Filled with surprising facts, fascinating incidents, and startling portraits of the people who made, endured, and resisted the slave breeding industry, *The American Slave Coast* culminates in the revolutionary Emancipation Proclamation, which at last decommissioned the capitalized womb and armed the African Americans to fight for their freedom.

Maria Graham's Journal of a Voyage to Brazil Jennifer Hayward, M. Soledad Caballero, 2010-11-04. The first scholarly edition of Maria Graham's *Journal of a Voyage to Brazil* 1824. In addition to Graham's original journal, footnotes, and illustrations, the editors contextualize Graham's narrative with a scholarly introduction, extensive annotations, and appendices including original reviews and Graham's unpublished *Life of Don Pedro*. *Journal of a voyage to Brazil, and residence there, during ... the years 1821-1823* Maria GRAHAM (afterwards CALLCOTT (Maria) Lady.), 1824. **Journal Of A Voyage To Brazil** Maria Graham, 2024-01-30. *Journal of a Voyage to Brazil* by Maria Graham is an illuminating travelogue that captures the spirit of exploration and cultural immersion in the vast and diverse landscapes of Brazil. Maria Graham, a keen observer and skilled writer, takes readers on a captivating journey through the enchanting landscapes, vibrant cities, and indigenous cultures of this South American gem. This journal offers a firsthand account of Graham's experiences, weaving together her impressions of Brazil's natural beauty, the intricacies of its flora and fauna, and the colorful tapestry of its people. From the bustling markets of Rio de Janeiro to the serene Amazon rainforest, Graham's narrative unfolds as a vibrant and insightful exploration of Brazil's geography and cultural richness. *Journal of a Voyage to Brazil* serves as both a travel guide and a cultural documentation, providing readers with a window into the complexities and wonders of Brazil during the time of Graham's travels. This work is a must-read for those fascinated by the intersection of travel, cultural exploration, and natural history. Embark on this literary voyage with Maria Graham and experience the allure of Brazil through her keen observations.

and vivid storytelling Discover the beauty and diversity of this captivating country as documented in the pages of Graham's insightful and engaging journal *Journal of a Voyage to Brazil* Lady Maria Callcott, 1824 *Slavery Inc* Lydia Cacho, 2014-05-13 Illegal, inhuman and impervious to recession there is one trade that continues to thrive just out of sight The international sex trade crisscrosses the entire globe a sinister network made up of criminal masterminds local handlers corrupt policemen willfully blind politicians eager consumers and countless hapless women and children In this ground-breaking work of investigative reporting the celebrated journalist Lydia Cacho follows the trail of the traffickers and their victims from Mexico to Turkey Thailand to Iraq Georgia to the UK to expose the trade's hidden links with the tourist industry internet pornography drugs and arms smuggling the selling of body organs money laundering and even terrorism This is an underground economy in which a sex slave can be bought for the price of a gun but Cacho's powerful first person interviews with mafiosi pimps prostitutes and those who managed to escape from captivity makes it impossible to ignore the terrible human cost of this lucrative exchange Shocking and sobering *Slavery Inc* is an exceptional book both for the colossal scope of its enquiry and for the tenacious bravery with which Cacho pursues the truth **Looking for Longleaf** Lawrence S. Earley, 2005-10-12 Covering 92 million acres from Virginia to Texas the longleaf pine ecosystem was in its prime one of the most extensive and biologically diverse ecosystems in North America Today these magnificent forests have declined to a fraction of their original extent threatening such species as the gopher tortoise the red cockaded woodpecker and the Venus fly trap Conservationists have proclaimed longleaf restoration a major goal but has it come too late In *Looking for Longleaf* Lawrence S. Earley explores the history of these forests and the astonishing biodiversity of the longleaf ecosystem drawing on extensive research and telling the story through first person travel accounts and interviews with foresters ecologists biologists botanists and landowners For centuries these vast grass-covered forests provided pasture for large cattle herds in addition to serving as the world's greatest source of naval stores They sustained the exploitative turpentine and lumber industries until nearly all of the virgin longleaf had vanished *Looking for Longleaf* demonstrates how in the twentieth century forest managers and ecologists struggled to understand the special demands of longleaf and to halt its overall decline The compelling story Earley tells here offers hope that with continued human commitment the longleaf pine might not just survive but once again thrive *Wake Up, Stupid* Mark Harris, 2014-06-10 Originally written in 1959 this is the hilariously explosive account of Youngdahl a novelist playwright ex-Mormon and father of seven He is a frenzied man who is beginning a letter-writing campaign to escape his curiously ironic situation and of course his profession Along with Abner Klang his not-so-literary agent who seems to have misplaced the F key on his typewriter Youngdahl joins forces with a Mormon bishop a TV adapter and a prizefighter among others to spearhead a comic revolution **The British Transatlantic Slave Trade Vol 2** Kenneth Morgan, Robin Law, David Ryden, J. R. Oldfield, 2021-12-16 Contains primary texts relating to the British slave trade in the 17th and 18th century The first volume contains two 18th century texts covering the slave trade in Africa Volume two

focuses on the work of the Royal African company and volumes three and four focus on the abolitionists struggle *Gossip and Gender* Marianne Bjelland Kartzow, 2009 This book suggests that gossip can be used as an interpretive key to understand more of early Christian identity and theology Insights from the multi disciplinary field of gossip studies help to interpret what role gossip plays especially in relation to how power and authority are distributed and promoted A presentation of various texts in Greek Hebrew and Latin shows that the relation between gossip and gender is complex to gossip was typical for all women and risky for elite men who constantly had to defend their masculinity Frequently the Pastoral Epistles connect gossip to false teaching as an expression of deviance On several occasions it is argued that various categories of women have to avoid gossip to be entrusted duties or responsibilities Old wives tales are associated with heresy contrasted to godliness in which one had to train one self Other passages clearly suggest that the false teaching resembles feminine gossip by use of metaphorical language profane words will spread fast and uncontrolled like cancer what the false teachers say is tickling in the ear and their mouth must be stopped or silenced The Pastoral Epistles employ terms drawn from the stereotype of gossip as rhetorical devices in order to undermine the masculinity and hence the authority of the opponents

Slavery in Missouri, 1804-1865 Harrison Anthony Trexler, 1914 The Literary World, 1894 **Transatlantic Memories of Slavery**, 2015-08-10 While the memorialization of slavery has generated an impressive number of publications relatively few studies deal with this subject from a transnational transdisciplinary and transracial standpoint As a historical phenomenon that crossed borders and traversed national communities and ethnic groups producing alliances that did not overlap with received identities slavery as well as its memory call for comparative investigations that may bring to light aspects obscured by the predominant visibility of US American and British narratives of the past This study addresses the memory of slavery from a transnational perspective It brings into dialogue texts and practices from the transatlantic world offering comparative analyses which interlace the variety of memories emerging in diverse national contexts and fields of study and shed light on the ways local counter memories have interacted with and responded to hegemonic narratives of slavery The inclusion of Brazil and the French English and Spanish Caribbean alongside the United States and Europe and the variety of investigative approaches ranging from cinema popular culture and visual culture studies to anthropology and literary studies expand the current understanding of the slave past and how it is reimagined today This fascinating book brings freshness to the topic by considering objects of investigation which have so far remained marginal in the academic debate such as heroic memorials civic landscape white family sagas Young Adult literature of slavery Latin American telenovelas and filmic narrations within and beyond Hollywood What emerges is a multifarious set of memories which keep changing according to generation race gender nation and political urgency and indicate the advancing of a dynamic mobilized memorialization of slavery willing to move beyond mourning towards a more militant stand for justice This is an important book for those interested in African American American and Latin American studies and working across literature cinema visual arts and public culture It will

also be useful to public official and civil servants interested in the question of slavery and its present memory **National Union Catalog** ,1980 Includes entries for maps and atlases *Transatlantic Memories of Slavery: Remembering the Past, Changing the Future* Elisa Bordin ,Anna Scacchi,2015-08-10 While the memorialization of slavery has generated an impressive number of publications relatively few studies deal with this subject from a transnational transdisciplinary and transracial standpoint As a historical phenomenon that crossed borders and traversed national communities and ethnic groups producing alliances that did not overlap with received identities slavery as well as its memory call for comparative investigations that may bring to light aspects obscured by the predominant visibility of US American and British narratives of the past This study addresses the memory of slavery from a transnational perspective It brings into dialogue texts and practices from the transatlantic world offering comparative analyses which interlace the variety of memories emerging in diverse national contexts and fields of study and shed light on the ways local countermemories have interacted with and responded to hegemonic narratives of slavery The inclusion of Brazil and the French English and Spanish Caribbean alongside the United States and Europe and the variety of investigative approaches ranging from cinema popular culture and visual culture studies to anthropology and literary studies expand the current understanding of the slave past and how it is reimagined today This fascinating book brings freshness to the topic by considering objects of investigation which have so far remained marginal in the academic debate such as heroic memorials civic landscape white family sagas Young Adult literature of slavery Latin American telenovelas and filmic narrations within and beyond Hollywood What emerges is a multifarious set of memories which keep changing according to generation race gender nation and political urgency and indicate the advancing of a dynamic mobilized memorialization of slavery willing to move beyond mourning towards a more militant stand for justice This is an important book for those interested in African American American and Latin American studies and working across literature cinema visual arts and public culture It will also be useful to public official and civil servants interested in the question of slavery and its present memory **Historical Dictionary of the Early American Republic** Richard Buel Jr.,Jeffers Lennox,2016-12-20 The drafting and ratification of the federal constitution between 1787 and 1788 capped almost 30 years of revolutionary turmoil and warfare The supporters of the new constitution known at the time as Federalists looked to the new national government to secure the achievements of the Revolution But they shared the same doubts that the Anti federalists had voiced about whether the republican form of government could be made to work on a continental scale Nor was it a foregone conclusion that the new government would succeed in overcoming parochial interests to weld the separate states into a single nation During the next four decades the institutions and precedents governing the behavior of the national government took shape many of which are still operative today This second edition of Historical Dictionary of the Early American Republic contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign

relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about American history *Folkways* William Graham Sumner, 1911 The Great New York Conspiracy of 1741 Peter Charles Hoffer, 2003 Almost 35 years before New York saw the first great battle waged by the new United States of America for its independence rumours of a slave conspiracy spread in the city leading to the conviction and execution of over 70 slaves This text retells the dramatic story of these landmark trials

Slave Gamble English Edition: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Slave Gamble English Edition : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Slave Gamble English Edition : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
