Jimmy's Boy - Devils, Angels and Miracles Robert T. Walsh, 2013-11-08 Jimmy's Boy Devils Angels and Miracles is a first-hand account, a true story describing the amazing, often terrifying early life experiences of a child blessed by God from birth with the extraordinary spiritual gifts of healing, visions, and the ability to recognize the presence and work of demons. Unfortunately for this child, Satan was also aware of how God had blessed this child. And so a fierce demonic creature was dispatched from hell to pursue and torment this child in order to impede God's plan and to consume the child's soul in the process. His remarkable journey began in infancy and continues to this day. Throughout his childhood, he displayed an extraordinary understanding of spiritual things and spoke of bright lights and evil things. This book chronicles the true story of the demonic torments and the miraculous events experienced by this child exactly as they happened. I know because I am that blessed child, the author of Jimmy's Boy.
