The Early Republic Complete Unit Guide Packet

Overview

The ratification of the Constitution and election of George Washington as America's first president finally unified the thirteen states of the Revolution and created a new nation. However, after decades for the new Republic to develop, in the summer of 1789, Americans in Philadelphia met a pivotal moment in the nation's history that Washington himself went to put down.

A crisis in Washington's Capital led to the development of America's first political parties. Federalists and Democratic-Republicans. Washington warned against the development along with American getting entangled in foreign affairs in the French Revolution. His Vice President, John Adams, supported the French Revolution and was accused of treason. His solution was the XYZ Affair and resulting Quasi-War with France. The resulting unrest led Adams to sign a bill known as the Alien and Sedition Acts. These controversial laws made it harder for any immigrant to become a citizen. Adams's president to sign laws that citizens who were accused of treason and criminalizing making false statements that were critical of the government.

Adams was defeating Jefferson in the Election of 1800. Jefferson called it a "Revolution without blood" over the peaceful transfer of power to the Democratic-Republican Party. Jefferson wanted the migration of white United States into the Louisiana Purchase and began a "Virginia Dynasty" that lasted the presidency from 1800 to 1808. After Jefferson's two terms as president, he was followed by two other Southern Democratic-Republicans from Virginia, James Madison and James Monroe. After Madison was elected to his second term in 1812, Monroe left American in a peaceful transition to the "Era of Good Feelings".
