Your Body's Brilliant Design Karen M Gabler,2017-06-20 Want to know the key to eliminating chronic pain from your
life It s not more rigorous exercise medical interventions or expensive therapies It turns out you have had the key all along
your body and its natural brilliant design For years we have been overlooking a crucial element of the body fascia that holds
the key to allowing you to live pain free Many of us think of the human body as a static mechanical system of muscles
attached to a skeleton What is missing from this picture is the tissue that unites all the parts the fascia a seamless web of
dynamic connective tissue that surrounds all muscles bones organs and even cells When one part of the fluid fascial web
moves the rest of the body responds When we learn how to connect to this system through subtle movements we open up a
world of understanding of how our bodies are designed to work with us not against us to support an easy and pain free life
This book will teach you how to feel and embody this new anatomy by connecting to your dynamic center of gravity or the
Core Hug and to a vertical line of muscles and fascia that runs deep through the body the Vertical Core When you connect to
the Core Hug and the deep Vertical Core using movement your body is able to suspend itself and sustain that suspension
over time Your body is already brilliantly designed to support you The architecture is within you The key is to access that
brilliant design and work with it Through stunning imagery and simple movement techniques this book teaches you how to
use the natural architecture of your body bones fascia and movement to align balance and support you so that you can move
with ease and live without pain

Experiencing Acupuncture John Hamwee,2020-04-21 Illuminating the considerations at
play in determining courses of treatment in acupuncture this honest depiction of nine accounts of unique cases shows how
changes can happen how the practitioner makes choices in the moment and why the patient s collaboration and commitment
are vital Hamwee shows how being attentive to all aspects of patients lives uncovers the conditions for healing and how it
affects the responses of both patients and practitioners in pursuit of health and wellbeing It does not simply treat
acupuncture as concepts and techniques but rather as a remarkable journey of the body mind and spirit An honest depiction
of nine accounts of real life cases such as back pain chronic fatigue depression and irritable bowel syndrome the book
describes the experience of acupuncture through the eyes of both practitioners and patients *The Spirit of the Organs*

John Hamwee,2017-09-21 12 stories each depict a different organ of the body and illustrate how they are traditionally
understood in Chinese Medicine The author shows that an appreciation of what the Chinese call the spirit of the organs leads
to more effective treatments of both common and unusual conditions *Tension-Type and Cervicogenic Headache* César
