JUNE 2019 SESSION

2 hours

Additional materials:
No additional materials

The insert should not be posted to ZIMSEC with the answer booklet.

Allow candidates 5 minutes to count pages before the examination.

INSTRUCTIONS TO CANDIDATES

Check if the insert has all the pages and ask the invigilator for a replacement if there are duplicate or missing pages.

Read the following passage very carefully before you attempt any questions.

Answer all questions in the spaces provided in the question and answer booklet using black or blue pens.

INFORMATION FOR CANDIDATES

Zimsec June 2014 English Paper Timetable

Tao Wei

Zimsec June 2014 English Paper Timetable:

Diplomatic Interference and the Law Paul Behrens, 2016-05-05 Diplomatic interference carries considerable potential for disruption. In this context diplomats have been accused of insulting behaviour, the funding of political parties, incitement to terrorism and even attempts to topple the host government. Reactions can be harsh: expulsions are common and occasionally diplomatic relations are severed altogether. But an evaluation under international law faces challenges. Often enough charges of interference are made when legitimate interests are involved: for instance when diplomats criticise the human rights record of their hosts. In such cases diplomats may be able to invoke grounds which are recognised under international law. On the basis of more than 300 cases of alleged diplomatic interference and the practice of about 100 States and territories *Diplomatic Interference and the Law* provides an examination of the main areas in which charges of meddling have arisen: such as lobbying activities, contacts with the opposition, propaganda, the use of threats and insults and the granting of asylum. It analyses situations in which the sovereignty of the receiving State meets competing interests and offers solutions which avoid a conflict of norms. It concludes with useful advice for foreign offices and diplomatic agents and underlines the most efficient ways of dealing with situations of alleged interference. A book that is here to stay. It is essential reading for diplomats, academics, journalists, students and everyone who has an interest in international law and justice. Based on rigorous research Paul Behrens' book offers new and thoughtful perspectives on the Vienna Convention on Diplomatic Relations which was drafted in 1961. It demonstrates just how important it is to have a lawyer of his impartiality and integrity if we want to reach peaceful and lasting solutions in international relations. *Diplomatic Interference and the Law* has the makings of an instant classic and I have no doubt that it will pave the way for the sorely needed reform of diplomatic law. Dr Nelson Iri iz Cas s Vice President of the Committee of the Whole of the Vienna Conference on Diplomatic Relations in 1961, former Head of the diplomatic missions of Uruguay to Austria, Czechoslovakia, Hong Kong, Denmark and Sweden, author of *Corrupci n en la ONU*. Dr Behrens's book rigorously analyses the legal doctrine of non interference by diplomats in their hosts' internal affairs and how it may conflict with legal obligations to combat, for example, denial of self determination and breaches of human rights. Exhaustively researched and in accessible language with copious, often entertaining examples, it will be an indispensable guide for diplomats. Behrens on diplomatic interference will be cited as the definitive authority on the matter for the foreseeable future. I recommend this book to diplomats, lawyers and the general reader: they will all read and refer to it with profit and immense pleasure. Sir Brian Barder KCMG BA Cantab is a former British ambassador to Ethiopia, Benin and Poland and High Commissioner to Nigeria and Australia. Paul Behrens' book breaks new ground. It is the first study to focus on the vexed question of diplomatic meddling in the domestic affairs of the receiving State. It has heightened topicality as many Western governments in their concern to promote human rights and democracy urge their diplomats to be active in their support of civil society, particularly in countries with authoritarian governments. This book is replete with case studies.

covering the 50 years since the signature of the Vienna Convention and provides an invaluable pathway through this legal minefield Sir Ivor Roberts KCMG FCIL President of Trinity College Oxford Former British Ambassador to Yugoslavia Ireland and Italy *Pan-Africanism in Modern Times* Olayiwola Abegunrin, Sabella Ogbobode Abidde, 2016-06-15 For about one hundred years Pan Africanism as a social cultural economic political and philosophical idea thrived Towards the tail end of the twentieth century however it waned But in more recent times there has been noticeable resurgence And as we approach the second decade of the twenty first century there are indications of significant transformations vis vis the role and place of Pan Africanism and Pan Africanists Consequently this book offers a new further and better understanding of Pan Africanism not just from the traditional African and African American points of view but also from a global perspective It does so by offering an analysis of its early years in terms of the personalities ideas and conferences that shaped it it also examines many of the factors that brought about its decline and its eventual rebirth Contributing to this seminal work are scholars of different but complementary styles and intellect who deviate from the more traditional or obvious approaches For instance one of the chapters explores Pan Africanism from the geographic perspective while another examines the role and place of women in the Pan African movement There are also voices that advance the conversation from the regional and continental viewpoint hence chapters that investigate the status of Pan Africanism in Latin America in the Caribbean and Islam and Pan Africanism in the modern world Ethnonationalism and xenophobia are also part of the treatise because increasingly these injurious phenomena are reemerging in Africa s landscape and consciousness In an increasingly interdependent and interrelated world this book also suggests that Pan Africanism will undergo a metamorphosis problems and challenges will be seen and tackled from the globalization and global common perspective Pan Africanism in Modern Times goes beyond the historicity of Pan Africanism and examines the challenges concerns and constraints it faces and also examines it from an inclusive perspective to have a broader understanding of this phenomenon and its future trajectory **State-Business**

Relations and Economic Transformation in South Africa and Zimbabwe Sinan Baran, 2023-06-12 In *State Business Relations and Economic Transformation in South Africa and Zimbabwe* Unfinished Transformation Sinan Baran examines state business relations SBRs in semi peripheral South Africa and peripheral Zimbabwe after each country s transition to majority rule to address why SBRs are likely to either consolidate or fracture in post transition communities In both countries the majority governments faced unresolved post transition divisions relating to race inequality and underdevelopment Baran analyzes the liberalisation and indigenisation policy choices intended to address these areas that are impacting the mining industries in South Africa and Zimbabwe as case studies Using comparative analysis and a Modern World Systems lens he argues that semi peripheral countries are less susceptible to pressures from domestic and external powers than peripheral countries during periods of economic transformation He further argues that China s significant political and economic presence in a peripheral country like Zimbabwe has more effect on SBRs than in a semi peripheral country like South Africa

The Palgrave Handbook of Language and Crisis Communication in Sub-Saharan Africa Ernest Jakaza, Hugh Mangeya, Isaac Mhute, 2024-06-17 This handbook provides a detailed and sustained examination of the scope purpose and practical application of crisis and disaster management communication in this critical region of the African continent sub Saharan Africa SSA The volume lays the foundation that enables a nuanced appreciation of two significant issues The first pertains to SSA s vulnerability to both natural and man made phenomena Secondly it argues that communication plays a critical role in so far as the identification social construction raising awareness preparation mitigation and eradication of crises and disasters in the region Communication plays a critical role in potentially reducing the impacts of crises and disasters before their occurrence This handbook is a key resource for academics students and practitioners in areas such as political communication media communication language and communication brand communication social digital media communication and crisis communication among others

Mindprints Ivan Gaskell, 2024-11-22 A rediscovery of Thoreau s interactions with everyday objects and how they shaped his thought Though we may associate Henry David Thoreau with ascetic renunciation he accumulated a variety of tools art and natural specimens throughout his life as a homebuilder surveyor and collector In some of these objects particularly Indigenous artifacts Thoreau perceived the presence of their original makers and he called such objects mindprints Thoreau believed that these collections could teach him how his experience his world fit into the wider more diverse even incoherent assemblage of other worlds created and re created by other beings every day In this book Ivan Gaskell explores how a profound environmental aesthetics developed from this insight and shaped Thoreau s broader thought

Working the System Jon Schubert, 2017-11-15 Working the System offers key insights into the politics of the everyday in twenty first century dominant party and neo authoritarian regimes in Africa and elsewhere Detailing the many ways ordinary Angolans fashion their relationships with the system an emic notion of their current political and socioeconomic environment Jon Schubert explores what it means and how it feels to be part of the contemporary Angolan polity Schubert finds that for many ordinary Angolans the benefits of the post conflict New Angola flush with oil wealth and in the midst of a construction boom are few The majority of the inhabitants of the capital Luanda struggle to make ends meet and live on under 2 00 per day The New Angola as promoted by the ruling MPLA Schubert contends is an essentially urban upwardly mobile and aspirational project premised on the acceptance of the regime s political and economic dominance by its citizens In the first ethnography of Angola to be published since the end of that country s twenty seven years of intermittent violent internal conflict in 2002 Schubert traces how Angolans may question and resist the system within an atmosphere of apparent compliance Working the System will appeal to anthropologists and political scientists urban sociologists and scholars of African studies

Blood Oil Leif Wenar, 2015-12-02 Natural resources like oil and minerals are the largest source of unaccountable power in the world Petrocrats like Putin and the Saudis spend resource money on weapons and oppression militants in Iraq and in the Congo spend resource money on radicalization and

ammunition Resource fueled authoritarians and extremists present endless crises to the West and the source of their resource power is ultimately ordinary consumers doing their everyday shopping at the gas station and the mall In this sweeping new book one of today s leading political philosophers Leif Wenar goes behind the headlines in search of the hidden global rule that thwarts democracy and development and that puts shoppers into business with some of today s most dangerous men Wenar discovers a rule that once licensed the slave trade and apartheid and genocide a rule whose abolition has marked some of humanity s greatest triumphs yet a rule that still enflames tyranny and war and terrorism through today s multi trillion dollar resource trade Blood Oil shows how the West can now lead a peaceful revolution by ending its dependence on authoritarian oil and by getting consumers out of business with the men of blood The book describes practical strategies for upgrading world trade for choosing new rules that will make us more secure at home more trusted abroad and better able to solve pressing global problems like climate change Blood Oil shows citizens consumers and leaders how we can act together today to create a more united human future

Foreign Relations of the PRC Robert G. Sutter, 2018-07-12 Now in a fully updated edition this cogent but comprehensive book examines the international relations of the People s Republic of China since its founding in 1949 Noted scholar Robert G Sutter provides a balanced assessment of the country s recent successes and advances as well as the important legacies and constraints that hamper it especially in nearby Asia long the focus of China s foreign policy attention Sutter demonstrates how Beijing has carefully created an image of a China that follows consistent policies based on morally correct principles but its record shows repeated episodes of sometime surprising change and frequent use of violence intimidation and coercion China s leaders he argues still fail to manage the desire for productive foreign relations with their aspirations to build Chinese security and sovereignty interests Image building efforts condition Chinese public and elite opinion to be extraordinarily sensitive self righteous and often alarmist in dealing with the many disputes China has with its Asian neighbors and the United States Advances that the PRC has made in other parts of the world focus mainly on commercial interests limiting its actual impact on world affairs Sutter shows readers how to use China s rise in nearby Asia as a reliable barometer of how important and effective the country will actually become internationally

Africa and China Aleksandra W. Gadzala, 2015-09-03 The China Africa relationship has so far largely been depicted as one in which the Chinese state and Chinese entrepreneurs control the agenda with Africans and their governments as passive actors exercising little or no agency This volume examines the African side of the relation to show how African state and non state actors increasingly influence the China Africa partnership and in so doing begin to shape their economic and political futures The influx of public and private sector Chinese actors across the African continent has led to a rise of opportunities and challenges which the volume sets out to examine With case studies from Nigeria Angola Kenya South Africa Ethiopia and Zambia and across the technology natural resource manufacturing and financial sectors it shows not only how African realities shape Chinese actions but also how African governments and entrepreneurs are learning

to leverage their competitive advantages and to negotiate the growing Chinese presence across the continent *The Russia-Ukraine Conflict and Development in Africa* David Mhlanga, Emmanuel Ndhlovu, 2024-09-02 This edited volume provides a comprehensive analysis of the intricate dynamics of the Russia Ukraine conflict particularly within the context of sustainable development in Africa The book explores the multifaceted consequences of the war drawing attention to its socioeconomic environmental and political implications It also emphasizes the significance of sustainable development on a global scale positioning itself at the intersection of conflict studies and sustainable development literature Chapters discuss the international response to the conflict including sanctions on Russia and disruptions in global supply chains which has had significant implications for countries in Africa that rely on Russia and Ukraine for essential commodities The history and root causes of the conflict are analyzed highlighting the contrasting narratives the pro Russian perspective and the pro Western viewpoint Underscoring the impact of the Russia Ukraine conflict on global peace sustainable development and the achievement of Sustainable Development Goals SDGs by the 2030 deadline this volume will be of interest to researchers and students focusing on development food systems peace and conflict security studies international relations and the SDGs

Conflict in Myanmar Nick Cheesman, Nicholas Farrelly, 2016-08-01 As Myanmar's military adjusts to life with its former opponents holding elected office *Conflict in Myanmar* showcases innovative research by a rising generation of scholars analysts and practitioners about the past five years of political transformation Each of its seventeen chapters from participants in the 2015 Myanmar Update conference held at the Australian National University builds on theoretically informed evidence based research to grapple with significant questions about ongoing violence and political contention The authors offer a variety of fresh views on the most intractable and controversial aspects of Myanmar's long running civil wars fractious politics and religious tensions This latest volume in the Myanmar Update Series from the ANU College of Asia and the Pacific continues and deepens a tradition of intense critical engagement with political economic and social questions that matter to both the inhabitants and neighbours of one of Southeast Asia's most complicated and fascinating countries

Language Policy and Economics: The Language Question in Africa Nkonko M. Kamwangamalu, 2016-04-23 This book addresses the perennial question of how to promote Africa's indigenous languages as medium of instruction in educational systems Breaking with the traditional approach to the continent's language question by focusing on the often overlooked issue of the link between African languages and economic development *Language Policy and Economics* argues that African languages are an integral part of a nation's socio political and economic development Therefore the book argues that any language policy designed to promote these languages in such higher domains as the educational system in particular must have economic advantages if the intent is to succeed and proposes Prestige Planning as the way to address this issue The proposition is a welcome break away from language policies which pay lip service to the empowerment of African languages while by default strengthening the stranglehold of imported European languages The Oxford Handbook of International

Organizations Jacob Katz Cogan, Ian Hurd, Ian Johnstone, 2016-11-24 Virtually every important question of public policy today involves an international organization From trade to intellectual property to health policy and beyond governments interact with international organizations in almost everything they do Increasingly individual citizens are directly affected by the work of international organizations Aimed at academics students practitioners and lawyers this book gives a comprehensive overview of the world of international organizations today It emphasizes both the practical aspects of their organization and operation and the conceptual issues that arise at the junctures between nation states and international authority and between law and politics While the focus is on inter governmental organizations the book also encompasses non governmental organizations and public policy networks With essays by the leading scholars and practitioners the book first considers the main international organizations and the kinds of problems they address This includes chapters on the organizations that relate to trade humanitarian aid peace operations and more as well as chapters on the history of international organizations The book then looks at the constituent parts and internal functioning of international organizations This addresses the internal management of the organization and includes chapters on the distribution of decision making power within the organizations the structure of their assemblies the role of Secretaries General and other heads budgets and finance and other elements of complex bureaucracies at the international level This book is essential reading for scholars practitioners and students alike

Handbook of Missing Persons Stephen J. Morewitz, Caroline Sturdy Colls, 2016-12-19 This ambitious multidisciplinary volume surveys the science forensics politics and ethics involved in responding to missing persons cases International experts across the physical and social sciences offer data case examples and insights on best practices new methods and emerging specialties that may be employed in investigations Topics such as secondary victimization privacy issues DNA identification and the challenges of finding victims of war and genocide highlight the uncertainties and complexities surrounding these cases as well as possibilities for location and recovery This diverse presentation will assist professionals in accessing new ideas collaborating with colleagues and handling missing persons cases with greater efficiency and potentially greater certainty Among the Handbook's topics A profile of missing persons some key findings for police officers Missing persons investigations and identification issues of scale infrastructure and political will Pregnancy and parenting among runaway and homeless young women Estimating the appearance of the missing forensic age progression in the search for missing persons The use of trace evidence in missing persons investigations The Investigation of historic missing persons cases genocide and conflict time human rights abuses The depth and scope of its expertise make the Handbook of Missing Persons useful for criminal justice and forensic professionals health care and mental health professionals social scientists legal professionals policy leaders community leaders and military personnel as well as for the general public

The rest of the ... Does anyone have the pdf for Designing Engineers, An ... Designing Engineers, An Introductory Text, McCahan, Anderson, Kortschot, Weiss, Woodhouse, 1st Edition, John Wiley and Sons Inc. Designing Engineers: An Introductory Text (Loose Leaf) Jul 13, 2015 — Designing Engineers 1st Edition Binder Ready Version is written in short modules, where each module is built around a specific learning outcome ... Designing Engineers: An Introductory Text (Paperback) Jan 27, 2015 — Designing Engineers First Edition is written in short modules, where each module is built around a specific learning outcome and is cross- ... Designing Engineers: An Introductory Text Designing Engineers: An Introductory Textbook has been created to meet this need. It has evolved from one of the largest and most successful first-year ... Designing Engineers Introductory Text by Susan Mccahan Designing Engineers: An Introductory Text by Susan Mccahan, Philip Anderson, Mark Kortschot and a great selection of related books, art and collectibles ... Designing Engineers: An Introductory Text Or just \$43.76 ; About This Item. UsedGood. Book is in good condition and may contain underlining or highlighting and minimal wear. The book can also include ... Differential Equations and Their Applications: An ... Find step-by-step solutions and answers to Differential Equations and

Their Applications: An Introduction to Applied Mathematics - 9780387908069, ... Differential Equations and Their Applications Renardy/Rogers: An Introduction to Partial Differential Equations, 2nd ed. 14. Banks: Growth and Diffusion Phenomena: Mathematical Frameworksand. Applications. Differential Equations and Their Applications Find step-by-step solutions and answers to Differential Equations and Their Applications: An Introduction to Applied Mathematics - 9780387978949, ... Differential Equations and Their Applications Title, Differential Equations and Their Applications: Solution Manual Volume 15 of Applied mathematical sciences. Author, Martin Braun. M427J Textbook: Martin Braun, Differential Equations and Their Applications: An Introduction to Applied Mathematics, 4th edition ; ISBN-13: 978-0387978949. Differential Equations and Their Applications: An ... Used in undergraduate classrooms across the USA, this is a clearly written, rigorous introduction to differential equations and their applications. Martin Braun Solutions Books by Martin Braun with Solutions ; Differential Equations and Their Applications 3rd Edition 0 Problems solved, M. Braun, M Braun, Martin Braun. Student Solution Manual for Differential Equations This is the student solution manual for Differential Equations: Techniques, Theory, and Applications by Barbara D. MacCluer, Paul S. Bourdon, and Thomas L. Solved Subject : Differential equations and their Sep 30, 2020 — Question: Subject : Differential equations and their applications By Martin Braun Part : Qualitative theory of differential equations ===== ... Differential Equations and Their Applicati - Braun, Martin.pdf No information is available for this page.
