Lemon-Aid New Cars and Trucks 2013 Phil Edmonston, 2012-12-01 Offers advice for prospective buyers of cars and trucks reveals information on secret warranties and confidential service bulletins and tells how to complain and get results

The New Domestic Automakers in the United States and Canada A.J. Jacobs, 2015-12-16 Over the past forty years state provincial and local governments in the United States and Canada have provided foreign automakers with approximately 480 billion in incentives in order to lure light vehicles assembly plants to their areas This has included tax abatements infrastructure construction land giveaways job training programs and other subsidies As of early 2015 ten foreign vehicle makers operated 20 light vehicles in developed North America Despite the fact that all ten of these automakers have pursued a similar pattern first exporting vehicles into the United States and Canada before launching vehicle plants in developed North America each has followed its own specific historical development path and has created its own unique growth trajectory This book provides a unique historical and qualitative review of these ten vehicle makers from their early beginnings to their export entry into the United States and or Canada through early 2015 In addition it chronicles the histories of more than a dozen former automakers and potential future foreign light motor vehicle assembly plants in the United States and Canada This includes the first foreign automaker to build its cars in the United States De Dion Bouton of France in July 1900 the early 20th Century endeavors of Fiat Mercedes and Rolls Royce and the present day hopes of Chinese and Indian automakers In the process the text also provides an assessment of the top competing states and sites for any future plants the possible incentives packages governments may offer to attract such facilities and an estimated incentive value for each automaker Overall the goal of this book is to expand the knowledge of policymakers at all tiers of government in the United States and Canada and to help them take a more holistic look at the pros and cons of attracting Automobile Manufacturing FDI It is hoped that this will enable them to make more informed decisions when pursuing a new foreign motor vehicle assembly plant Its findings should also prove informative to urban and regional planning political science sociology economics labor and international development scholars and students in North America and worldwide ,

2014 Passenger Car Yearbook Automotive Engineering International, 2013-12-10 Each year car manufacturers release new production models that are unique and innovative These cars begin as concepts then go through the process of prototyping The process of creating a new model can take years involving extensive testing and refining of aerodynamics safety engine components and vehicle styling The production model is the result of this lengthy process and its new technologies reflect the latest engineering standards as well as market trends The 2014 Passenger Car Yearbook details the key engineering developments in the passenger vehicle industry of the year Each new car model is profiled in its own chapter with one or more articles that were previously published and written by the award winning editors of Automotive Engineering International The novel engineering aspects of each new model are explored in depth Interviews with key

Internationalization of Japan Glenn D. Hook, Michael Weiner, 2013-03-07 The Internationalization of Japan provides the English speaking reader with the opportunity to hear what some of Japan's leading social scientists and other commentators have to say about the internationalization of their country as well as their country's impact overseas The topic is of extreme importance now as the international community demands a greater Japanese contribution to international society as well as changes in Japan to facilitate foreign access The book discusses the internationalization of politics economy and society Topics of special interest include the internationalization of Japanese capital the response of Japanese society to foreign workers local level initiatives for internationalization and the internationalization of education To place the internationalization of Japan in comparative perspective there are chapters on Britain and the United States from a leading British and a leading American political scientist respectively These two and the editors aside all the contributors are highly regarded Japanese scholars or commentators **Climate Hope** David Geselbracht, 2024-10-19 Through extensive research and reporting this boundary crossing and highly readable survey of efforts to tackle climate change aims to replace our paralyzing fears with a restored sense of hope and determination Climate change is a problem so enormous and complex with threats so frightening in their implications that many of us fend off confusion and hopelessness by simply turning away There are jobs to do children to raise bills to pay Meanwhile with delayed action missed targets and increasingly dire reports at the international level a notion that the crisis is intractable continues to spread And the proposed solutions can be just as daunting They often involve jargon about gigatons of carbon and kilowatt hours of electricity In a deeply polarized political environment any sense of the common purpose required to make these work seems to dissolve into denial or paralysis With all this fear and conflict the question must be asked How do we find the tools and equally important the hope we need to tackle such a wickedly difficult issue In Climate Hope journalist David Geselbracht blends in depth research expert interviews and on the ground reporting in multiple countries revealing remarkable efforts to identify the causes and impacts of climate change and devise crucial ways to address them Geselbracht brings the reader to the chaotic 2021 UN Climate Change Conference in Glasgow as well as to giant heating ducts below the city of Copenhagen and to wildfire scorched landscapes in Western Canada to name just a few sites The scale of the challenge is clear in the range of fields he covers from glaciology and climate science to law and diplomacy But in drawing these approaches together he shares stories of hope awe and wonder that encourage us to confront this long term world warping phenomenon with a renewed sense of purpose and possibility Cullen and Cobb Mysteries 4-Book Bundle David A. Poulsen, 2019-07-05 A private investigator and a journalist team up in Calgary to fight for justice Read all four books in the exciting western crime series Serpents Rising book 1 Private investigator Mike Cobb and journalist Adam Cullen take on twin investigations that take them onto Calgary's

meanest streets on the trail of a runaway and a killer Dead Air book 2 Someone is killing big name right wing media personalities When ex cop Mike Cobb is hired as a bodyguard for a conservative radio superstar he and his partner crime journalist Adam Cullen are thrust into the line of fire Last Song Sung book 3 Cullen and Cobb are back to investigate the 1965 disappearance of a folk singer Kidnapped from the alley behind a folk club her bandmates shot and killed Ellie Foster s whereabouts have remained a mystery for fifty years Hired by Ellie s granddaughter Cullen and Cobb travel into the past to unearth long buried secrets None So Deadly book 4 The brutal killing of a police investigator obsessed with Faith Unruh s murder has put the ex cop private eye and former crime writing journalist back on the killer s trail and directly in the line of fire
