Significance of the Intolerable Acts . . . - Intensified the conflict between Britain and colonists - Most Americans reached the conclusion that only rebellion was to prevent loss to Britain - The First Continental Congress - purpose was to respond to Britain's demands however, most Americans had no desire for independence and wanted to protect guaranteed rights/privileges of rights and restore relationship with crown like it was before the seven years war - All states sent delegates, except GA, to the convention in Philly 1774 - The Delegates - Diverse group whose views ranged from radical to conservative - Radicals = Patrick Henry (VA), Samuel Adams & John Adams (Mass.) Moderates were George Washington (PA) and John Dickinson (DE). Conservatives were John Jay (NY) and Joseph Galloway (PA). group not represented = Virginia - Actions of the Congress - Delegates voted to issue a declaration which intended to change British policy without offending colonists and conservatives - Congress proposed a plan for Albany Union (1774) that would have united colonies with Parliament and French-Canadians, making colonies that instead of united British America (Mass.), called for immediate repeal of Intolerable Acts and for colonies to meet them by sending military prep. and supplies - Passed Declaration of Rights and Grievances (right long to colonies not send govt. money and colonies not send rights, infringed Parliament's authority to regulate commerce, Declaration of colonial rights was not accepted, they would not give up	Summarize the purpose of the First Continental Congress. The purpose of the First Continental Congress was for the colonies to unite and respond to the Intolerable Acts the British had enforced. They were to decide how to handle the British threat to colonial rights. What was the most significant act of this Congress? Define your answer.
