institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents specifically plans and operations between June 2011 and April 2017 Within this second theme emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force recalibrated themselves for COIN warfare A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram and this book aims to disperse that veil of secrecy Furthermore the work s analysis of the air force s role in counter insurgency is unprecedented within the literature on military warfare in Nigeria This book will be of great interest to students of military studies counter insurgency counter terrorism African politics and security studies in general

Black Hearts Jim Frederick,2010-02-09 Riveting a testament to a misconceived war and to the ease with which ordinary men under certain conditions can transform into monsters New York Times Book Review This is the story of a small group of soldiers from the 101st Airborne Division s fabled 502nd Infantry Regiment a unit known as the Black Heart Brigade Deployed in late 2005 to Iraq s so called Triangle of Death a veritable meat grinder just south of Baghdad the Black Hearts found themselves in arguably the country s most dangerous location at its most dangerous time Hit by near daily mortars gunfire and roadside

bomb attacks suffering from a particularly heavy death toll and enduring a chronic breakdown in leadership members of one Black Heart platoon 1st Platoon Bravo Company 1st Battalion descended over their year long tour of duty into a tailspin of poor discipline substance abuse and brutality Four 1st Platoon soldiers would perpetrate one of the most heinous war crimes U S forces have committed during the Iraq War the rape of a fourteen year old Iraqi girl and the cold blooded execution of her and her family Three other 1st Platoon soldiers would be overrun at a remote outpost one killed immediately and two taken from the scene their mutilated corpses found days later booby trapped with explosives Black Hearts is an unflinching account of the epic tragic deployment of 1st Platoon Drawing on hundreds of hours of in depth interviews with Black Heart soldiers and first hand reporting from the Triangle of Death Black Hearts is a timeless story about men in combat and the fragility of character in the savage crucible of warfare But it is also a timely warning of new dangers emerging in the way American soldiers are led on the battlefields of the twenty first century *Professional Journal of the United States Army*
