interact overlap and have influenced each other for nearly a century One of music radio s major functions is to help build
smaller or larger communities by continuously offering broadcast music as a means to create identity and senses of
belonging Music radio also helps identify and develop musical genres in collaboration with listeners and the music industry
by mediating and by gatekeeping Focusing on music from around the world Music Radio discusses what music radio is and
why or for what purposes it is produced Each essay illuminates the intricate cultural processes associated with music and
radio and suggests ways of working with such complexities AMJ, Agricultural Machinery Journal ,1980
