Ben-Chaim,2011-08-06 Jewish life has become tainted by man made religions mysticism and pop kabballah Based on the Sages writings and 10 years in the making Rabbi Moshe Ben Chaim debunks these false notions presenting an intelligent analysis of Torah to reveal beautiful insights Judaism is the only religion based on proof and reason not blind faith and superstitions Intelligence is the only key that unlocks God s wisdom Readers will quickly distinguish authentic Judaism from popular notions preferring Torah s brilliance over simplistic belief      **Religion of Reason** Rabbi Moshe Ben-Chaim, Is

Torah mystical or rational just like God s natural laws It s time a book unveiled the truth Is Torah like all other religions incomprehensible mysticism as Kabbalists suggest or perfectly rational Religion of Reason not only unveils widespread Jewish mystical beliefs as false but true Torah insights are presented in their rational form just like God s natural laws No powers exist besides God And as Ibn Ezra writes God prohibits belief in mysticism for reasons you will learn Talmudic and Torah sections are explained metaphorically as our Rishonim say they must be understood offering astonishing and pleasing insights Finally Jews can understand the falsehoods they have accepted and abandon them in place of true Torah gaining a deep appreciation for God s wisdom      **Trudemption** Edward Alex Smith,2012-02-28 My name is Alex and in one year I am going to die Teenaged Alex can admit to himself that his demise is a result of his own actions and he deserves what he has coming But his life wasn t always this way Once he had a family and good friends Once he even had a girl he was crazy about Nothing good lasts forever and the values of life are expressed through this unique first person narration Capturing the dark reality s of today s youth Alex finds himself digging a much deeper hole into his regrets with a crowd of both friends and enemies The story backtracks from the ending with him and his friends being a bloody mess running all night from something he blacked out from Alex is trapped between two worlds one of hatred and one with a purpose As the trilogy progresses he becomes powerful through respect of the others because they can see his potential By losing everything one by one he begins to feel numb and as if he has nothing to lose anymore
