Bible Study Lessons Part1: Women of the Bible Simon Kennard,2016-04-06 In this part of the Bible Study Lessons Part 1 We re going to look at the lives of most of the women mentioned in the Bible We get an intimate look into the lives of some but others are only mentioned by name No matter how much or little we read about them however you can be sure God made sure they were mentioned for a reason And that reason is for us to take notice of their lives and learn from them

Lessons for a Lifetime John Canfield,2012-05-31 An amazing story of an adventurous young American who grew up in Cleveland Ohio during the Great Depression and World War II Times were tough for everyone Jobs were scarce food was very limited and the American Spirit had disappeared So had John s father Left alone was John his mother and younger brother who struggled together to survive They not only did so but eventually were all successful in life A happily ever after story Yes but the road to victory was amazingly different What happened to John at various times and in unexpected ways over a long period of time was completely unbelievable In this life story you will most likely encounter episodes which although well explained will stretch your sense of reality Don t worry it had the same affect on the person to whom it happened Even so you will find no gore profanity or exaggeration in this book You will however see the world as John saw it and also have many good laughs It is also certainly possible that Lessons for a Lifetime might uplift the reader as it certainly did for the author
