Responsible Government and the Australian Constitution Benjamin B Saunders,2023-06-15 This book looks at responsible government under the Australian Constitution It undertakes a detailed examination of the history leading to the incorporation of responsible government into the Constitution examining the political history and constitutional ideas which informed the framers views It draws on this history to develop a theory of responsible government and explore its implications for the interpretation of the Constitution and the structure of modern government in Australia The book fills a major gap in our knowledge of the intellectual background of the Australian Constitution by explaining the constitutional ideas that have shaped the text and structure of the Australian Constitution It contributes to worldwide debates about constitutional interpretation by showing how rigorous use of history can lead to novel interpretations of constitutions without being tied to the dead hands of the founders **The Australian Army from Whitlam to Howard** John Blaxland,2014 The

Australian Army from Whitlam to Howard is the first critical examination of Australia's post Vietnam military operations spanning the 35 years between the election of Gough Whitlam and the defeat of John Howard. John Blaxland explores the casualty cringe felt by political leaders following the war and how this impacted subsequent operations. He contends that the Australian Army's rehabilitation involved common individual and collective training and reaffirmation of the Army's regimental and corps identities. He shows how the Army regained its confidence to play leading roles in East Timor, Bougainville and the Solomon Islands and to contribute to combat operations further afield. At a time when the Australian Army's future strategic role is the subject of much debate and as the Asian Century gathers pace and commitment in Afghanistan draws to an end, this work is essential reading for anyone interested in understanding the modern context of Australia's military land force.

The Australian Policy Handbook Catherine Althaus, Sarah Ball, Peter Bridgman, Glyn Davis, David Threlfall, 2022-12-21. The seventh edition of this classic handbook on the policy process is fully updated, featuring new material on policy making amid local and global disruption, the contestable nature of modern policy advice, commissioning and contracting, public engagement and policy success and failure. The Australian Policy Handbook shows how public policy permeates every aspect of our lives. It is the stuff of government: justifying taxes, driving legislation and shaping our social services. Public policy gives us roads, railways and airports, emergency services, justice, education and health services, defence, industry development and natural resource management. While politicians make the decisions, public servants provide analysis and support for those choices. This updated edition includes new visuals and introduces a series of case studies for the first time. These cases covering family violence, behavioural economics, justice reinvestment, child protection and more, illustrate the personal and professional challenges of policymaking practice. Drawing on their extensive practical and academic experience, the authors outline the processes used in making public policy. They systematically explain the relationships between political decision makers, public service advisers, community participants and those charged with implementation. The Australian Policy Handbook remains the essential guide for students and practitioners of policy making in Australia.

Our Australian Theatre in the 1990s, 2023-09-29. AUSTRALIAN THEATRE in the 1990s is a vigorous enterprise displaying the energies and contradictions of a multicultural society. This collection of essays by leading scholars of Australian theatre and drama surveys the emergence and directions of the new theatrical energies which have challenged or redefined the Australian mainstream. Aboriginal, multicultural, Asian, Australian women's, gay and lesbian community and young people's theatre are charted, the exciting growth of physical theatre is assessed. The contributors assess the impact of evolving funding and industrial priorities and examine the theoretical and cultural debates surrounding Australian playwriting and theatre making from the 1970s Vietnam dramas to the postmodern present.

The Australian Judiciary H. P. Lee, Enid Campbell, 2013. This definitive survey of the Australian judiciary describes and evaluates the work, techniques, problems and future of courts and judges.

Nationhood, Executive Power and the Australian Constitution Peta Stephenson, 2022-09-08.

The first comprehensive study of the nature and scope of the nationhood power this book brings a fresh perspective to the scholarship on the powers of the executive branch in Australia The question of when the Federal Executive Government can act without the authorisation of the Parliament is contested and highly topical in Australia In recent judicial decisions Australian courts have suggested that statutory authorisation may not be required where the Federal Executive Government is exercising the nationhood power that is the implied executive power derived from the character and status of the Commonwealth as the national government The Federal Executive Government has relied on this power to implement controversial spending programs respond to national emergencies and exclude non citizens from Australia Together the chapters in this book analyse and evaluate judicial observations about the operation of the nationhood power in these different contexts and the limits which apply to it While the focus of this book is on the nationhood power it also addresses broader issues concerning the relationship between the legislative and executive branches in parliamentary systems of government This book makes an important contribution to the literature on executive power and will appeal to constitutional lawyers scholars and practitioners and those who are involved in the administration of government

Strangling Aunty: Perilous Times for the Australian Broadcasting Corporation Virginia Small, 2021-09-24 Drawing on a wealth of academic research statistics and interviews with key Australian media people including present and former Australian Broadcasting Corporation staffers this book explores the transitions of the ABC under various types of organisational re strategising governance and political shifts The book provides the reader with an authoritative narrative as to how the ABC has lost its iconic status in Australian society and unfolds how the ABC has strayed from its respected public charter which endowed the ABC with a distinctive and important role in informing educating and entertaining the Australian public Successive federal government funding cuts have shrunk staffing levels and services while it has pursued a corporatist model that mimics the trappings and practices of commercial media In that process it has become politicised and trivialised thereby threatening its demise The book is a unique and timely contribution at a time of dwindling interest for the funding of public assets everywhere There is no other book in the market that addresses the decline of the organisation the ABC and analyses the reasons for its demise within an organisational theoretical framework The book is written for an educated general audience with academics and media practitioners specifically in mind and has everyday applications for business organisations operating in the public sector by bringing together important findings of public funding budgets management and organisational strategies and evolution

The Australian Law Times, 1887

A First Nations Voice in the Australian Constitution Shireen Morris, 2020-08-06 This book makes the legal and political case for Indigenous constitutional recognition through a constitutionally guaranteed First Nations voice as advocated by the historic Uluru Statement from the Heart It argues that a constitutional amendment to empower Indigenous peoples with a fairer say in laws and policies made about them and their

rights is both constitutionally congruent and politically achievable A First Nations voice is deeply in keeping with the culture design and philosophy of Australia s federal Constitution as well as the long history of Indigenous advocacy for greater empowerment and self determination in their affairs Morris explores the historical political theoretical and international contexts underpinning the contemporary debate before delving into the constitutional detail to craft a compelling case for change

Radicalized Real Estate Agents and the Rise and Resilience of the Australian Policy for Real Estate

Carry John S. F. Wright, 2025-08-21 This is a book about policy change that focusses on a single case study the rise and resilience of the Australian policy for Real Estate Carry The text tracks investments of meaning and identity in the Australian policies for Negative Gearing 1987 and the Capital Gains Tax Discount 1999 through which successive federal governments inadvertently created scope for a dangerous and inefficient Real Estate Carry Trade in the housing sector that has proven resilient to reform for a quarter century Considering that Carry Trades inevitably create the conditions for their own collapse the historical failure of Australian governments to achieve policy change is a serious issue for the country going forward As they attempt to make their housing sector more stable sustainable and equitable Australian people may need to prepare for potentially dramatic changes to their economic and monetary system The book also raises important implications for understanding the nature and workings of policy change in Australian politics and beyond It is a valuable resource for scholars and students of political theory public policy and Australian politics as well as policy practitioners third sector groups and political parties interested in Australian and international housing policy

The Australian Government Muscling in on School Education Grant Rodwell, 2020-05-07 Despite the Australian Constitution implying school education to be a state responsibility the Commonwealth has increasingly interfered with state school education The Australian Government Muscling in on School Education therefore offers a historical account of this government involvement in Australian education from federation to the present day providing a much needed fully updated and relevant overview the topic Arguing that education has become an arena for competing political forces this book examines the powerful influence of the Commonwealth over education and the political motives behind it exploring how politics influences aspects of the curriculum teaching standards assessment and reporting funding teacher selection and policy more broadly Ultimately questioning whether this influence is in the interests of the members of the community who depend on education the book holds government engagement in education to account Taking the major epochs of federalism as an organizing framework the book s chapters include explorations of The efficiency dynamic and the progressive years 1919 39 Postwar imperatives and the Menzies years 1949 72 Coordinative federalism and treading softly the Whitlam years 1972 5 and Fraser years 1975 83 Corporate federalism the Hawke Keating years 1983 96 Supply side federalism and globalization the Howard years 1996 2007 National control and the Rudd Gillard Abbott Turnbull and Morrison years 2007 15 A thorough and significant examination of the historical engagement of the Australian government in education this book is essential reading for student
