The Single Person's Cookbook Tony Wilkins,2007-02-16 A friend told me about a new person he d invited over for dinner later that night Since my friend is the world s worst cook and hates cookbooks too complicated and the recipes are never broken down for single serving meals the task fell to me to help My suggestions included everything from a roasted chicken to a stir fry I also told him he could a have me prepare the meal for him b do take out c starve d I could help him come up with a few simple recipes he could make himself in 30 minutes or less While putting together his menu he asked me a question Have you ever thought of writing a cookbook To which I replied if I did it would be specifically for single people And as they say necessity is the mother of invention The Single Person s Cookbook is written for anyone without a wife husband children or significant other to cook for Or for anyone needing to impress a date or serve a special someone a great meal because you care In short it is for anyone who wants a simple fast elegant low fat and yes romantic home cooked meal in minutes Each chapter will include approximately 5 10 recipes a piece and tips to help make the cooking process easier and more enjoyable Although I have included measurements for these recipes as a frame of reference I d like to note that I rarely ever measure anything ever In creating a simple meal I find that using the six senses instinct being the sixth are far more important and reliable than a measuring cup As a single man myself over 40 I m often aware of the irony of life s little lessons The blind date that

turns out to be your ex lover s ex lover This book will not only be informative from a culinary standpoint but also offers funny little observations about getting through life as a single person of a certain age Think Sex in the City meets 30 Minute Meals from a gay man s point of view The book also offers tips on fitness I went from 232 lbs to 165lbs in about a year as well as ways to save money on your food bill Upcoming books in The Single Person s Cookbook series include Cooking from your Garden and Southern Cooking

Complete Guide to the Endomorph Diet Ella Jameson, 2024-12-10 The journey toward understanding the body s natural response to food and exercise is a personal one often requiring years of trial and error to uncover the most effective methods for a given individual For those with the endomorph body type this process may feel especially complex Endomorphs are often characterized by a naturally higher percentage of body fat and a more difficult time shedding weight However with the right approach to diet exercise and lifestyle it is entirely possible to manage these challenges and achieve lasting results The Endomorph Diet is specifically designed to address the needs of individuals with this body type helping them achieve their health and fitness goals through a customized approach to nutrition and fitness The Endomorph diet plan is not about extreme restrictions or fad diets instead it is built upon principles that are sustainable for the long term It is an approach that focuses on balance nutrient dense foods and a personalized understanding of your metabolism and unique body chemistry By learning more about the endomorph body type and how it responds to various foods and exercise individuals can take control of their health finding strategies that work with their body rather than against it Endomorphs tend to have a rounder softer appearance and may carry more weight in the abdominal hip and thigh areas Metabolically they often experience slower fat burning which means they have to work a bit harder to lose weight While this can feel discouraging at times it is important to remember that the endomorph body type also comes with some advantages Endomorphs are typically more muscular and have a stronger sturdier physique These advantages can be leveraged by incorporating the right types of exercise and a tailored nutritional plan into daily life The key to success with the Endomorph Diet lies in understanding the specific requirements of

this body type and using this knowledge to optimize food intake and exercise By focusing on nutrient dense whole foods and exercising in a way that enhances metabolism endomorphs can unlock the full potential of their body achieving a leaner stronger and more energized version of themselves In this eBook we ll explore the principles behind the Endomorph Diet and break down the essential components that are most effective for this body type You will learn how to select the right foods what macronutrient balance works best for endomorphs and how exercise can be tailored to enhance fat loss and improve overall health This guide is meant to provide you with the tools necessary to take control of your health offering insight and practical tips to make your journey to a healthier body both manageable and enjoyable In addition this diet approach will help endomorphs not only lose weight but also optimize energy levels enhance mental clarity and improve overall quality of life While there is no quick fix when it comes to transforming your body the Endomorph Diet is designed to make the process simpler more intuitive and sustainable By focusing on the underlying factors that make the endomorph body type unique you will be equipped with the knowledge and strategies needed to achieve long term success This is not a one size fits all diet it is a roadmap for understanding your own body refining your approach to food exercise and wellness and ultimately achieving the body and lifestyle you desire Whether you are just starting your fitness journey or you have been trying to achieve your health goals for years the Endomorph Diet is an empowering approach that offers tangible solutions for those who have struggled with weight loss and metabolic challenges The path to success may be long but by committing to the principles outlined in this eBook you are taking the first step toward becoming the best version of yourself

The New Mom's Survival Guide Jennifer Wider, M.D., 2008-06-24 Why can't I lose the extra weight Why am I shedding like my pet golden retriever I'm just too tired to have sex and it hurts What should I do How can I tell the difference between the baby blues and a real depression Why am I having so many fights with my husband At last your baby has arrived and you're experiencing all the joys that come with being a new mom But you may not have bargained on acne and enlarged feet not to mention constipation vaginal pain mood swings or perhaps one of the more serious conditions that pregnancy can trigger So what can you do to deal with all these unexpected challenges In this compassionate comprehensive guide Dr Jennifer Wider a physician as well as the mother of two small children delivers up to date medical information candid answers to a host of questions and expert advice on a range of postpartum issues including Sex and intimacy after pregnancy physical and mental roadblocks Marital stresses and strains How to safely lose weight and exercise Cracked nipples and other breast feeding concerns When the baby blues are more than just a phase Coping with thyroid problems anemia diabetes urinary incontinence and other conditions that can show up during or after pregnancy From redefining yourself to taking care of yourself while caring for your baby The New Mom's Survival Guide offers such a wealth of practical help that new moms will turn to it again and again
