You Always Come Back Emily Smith, 2023-10-10 In the vein of Kathleen Barber and Julia Heaberlin comes an electrifying debut suspense that pits the inhabitants of a small town against each other Nine years ago July Weaver s little sister was one of the first victims of the Pacific Lake Killer a serial killer in Georgia When other girls began to disappear and were found dead it was July s testimony that put her own father into prison for the crimes After the sentencing she fled to Nashville to focus on her music career and to try to forget the horrible past But when her brother tries to kill himself July is forced to come back home and reunite with her four remaining siblings What she isn t expecting is to uncover new evidence

that makes her question everything that happened to her sister nine years ago Is it possible that July blamed the wrong person Is it possible that the Pacific Lake Killer is still out there As the linchpin to the case against her father and the reason the Pacific Lake Killer case is closed July knows it isn't long before the killer will set their eyes back on her If they're really still out there
