We Are Not Ourselves A Novel:

We Are Not Ourselves Matthew Thomas, 2014-08-19 Destined to be a classic this powerfully moving Chad Harbach The Art of Fielding multigenerational debut novel of an Irish American family is nothing short of a masterwork Joshua Ferris Then We Came to the End Born in 1941 Eileen Tumulty is raised by her Irish immigrant parents in Woodside Queens in an apartment where the mood swings between heartbreak and hilarity depending on whether guests are over and how much alcohol has been consumed When Eileen meets Ed Leary a scientist whose bearing is nothing like those of the men she grew up with she thinks she's found the perfect partner to deliver her to the cosmopolitan world she longs to inhabit They marry and Eileen quickly discovers Ed doesn't aspire to the same ever bigger stakes in the American Dream Eileen encourages her husband to want more a better job better friends a better house but as years pass it becomes clear that his growing reluctance is part of a deeper psychological shift An inescapable darkness enters their lives and Eileen and Ed and their son Connell try desperately to hold together a semblance of the reality they have known and to preserve against long odds an idea they have cherished of the future Through the Learys novelist Matthew Thomas charts the story of the American Century particularly the promise of domestic bliss and economic prosperity that captured hearts and minds after WWII The result is a riveting and affecting work of art one that reminds us that life is more than a tally of victories and defeats that we live to love and be loved and that we should tell each other so before the moment slips away Epic in scope heroic in character masterful in prose **We Are Not Ourselves** heralds the arrival of a major new talent in contemporary fiction

We are Not Ourselves Matthew Thomas, 2014 **We Are Not Ourselves** Matthew Thomas, 2014-08-19 The instant New York Times bestseller The Washington Post calls a stunning superbly rendered novel and Entertainment Weekly describes as a gripping family saga maybe the best since The Corrections As an Irish immigrant in Queens in 1941 Eileen has dreamed of more in her life but when she and her family seem to be moving closer to that dream devastation hits and they must learn how to not only hold on to their reality but to each other Born in 1941 Eileen Tumulty is raised by her Irish immigrant parents in Woodside Queens in an apartment where the mood swings between heartbreak and hilarity depending on how much alcohol has been consumed From an early age Eileen wished that she lived somewhere else She sets her sights on upper class Bronxville New York and an American Dream is born Driven by this longing Eileen places her stock and love in Ed Leary a handsome young scientist and with him begins a family Over the years Eileen encourages her husband to want more a better job better friends a better house It slowly becomes clear that his growing reluctance is part of a deeper more incomprehensible psychological shift An inescapable darkness enters their lives and Eileen and Ed and their son Connell try desperately to hold together a semblance of the reality they have known and to preserve against long odds an idea they have cherished of the future Described by The New York Times Book Review as A long gorgeous epic full of love and caring one of the best novels you'll read this year **We Are Not Ourselves** is a testament to our greatest desires and our greatest frailties

Through the lives of these characters Thomas charts the story of the American Century The result is stunning The joys of this book are the joys of any classic work of literature for that is what this is destined to become superbly rendered small moments that capture both an individual life and the universality of that person s experience The Washington Post

Alzheimer's Disease in Contemporary U.S. Fiction Cristina Garrigós,2021-07-28 This volume seeks to bring readers to a deeper understanding of contemporary cultural and social configurations of Alzheimer s disease by analyzing 21st century U S novels in which the disease plays a key narrative role Via analysis of selected works Garrig s considers how the erasure of memory in a person with Alzheimer s affects our idea of the identity of that person and their sense of belonging to a group Starting out from three different types of memory individual social and cultural the study focuses on the narrative strategies that authors use to configure how the disease is perceived and represented This study is significant not only because of what the texts reveal about those with Alzheimer s but also for what they say about us about the authors and readers who are producing and consuming these texts about how we see this disease and what our attitudes to it say about contemporary U S society Athenaeum and Literary Chronicle ,1872 **Desire** Lisa Solod Warren,2011-02-08 A captivating collection of essays Desire delves headfirst into its subject matter and explores the complexity of desire with essays about the things women want crave lust after and covet An extraordinary group of writers tackle difficult and taboo subjects from Debra Magpie Earling s desire to hurt someone to New York Times writer S S Fair s less than diminishing sensual and sexual desire despite her increasing age to Julia Serano s strong emotional impulse to be a woman before she decided to transition from male to female Many of these essayists examine the feelings and experiences which surround the things they want but can t or shouldn t have The reasons such desires are taboo are often personal and range from social conventions and religious teachings to more concrete laws and rules Desire makes the private public and illuminates the rich and varied desires women have **The Spectator** ,1870 **Monthly Review; Or Literary Journal Enlarged** ,1828 Editors May 1749 Sept 1803 Ralph Griffiths Oct 1803 Apr 1825 G E Griffiths **The Monthly Review** ,1828 Impressions Quarterly ,1900 The Westminster Review ,1880 **Stanley Cavell and Literary Studies** Richard Eldridge,Bernard Rhie,2011-09-22 Arguably no other living philosopher has done as much as Stanley Cavell to show the common cause shared by literature and philosophy Stanley Cavell and Literary Studies is not only timely but indeed long past due As the discipline of literary studies struggles to move beyond the suspicious skepticisms and anti humanisms that have dominated the field but without lapsing into sentimentality and na vet Cavell s writings and ideas will only become more pertinent Universality and Identity Politics Todd McGowan,2020-07-21 The great political ideas and movements of the modern world were founded on a promise of universal emancipation But in recent decades much of the Left has grown suspicious of such aspirations Critics see the invocation of universality as a form of domination or a way of speaking for others and have come to favor a politics of particularism often derided as identity politics Others both centrists and conservatives associate universalism with twentieth

century totalitarianism and hold that it is bound to lead to catastrophe This book develops a new conception of universality that helps us rethink political thought and action Todd McGowan argues that universals such as equality and freedom are not imposed on us They emerge from our shared experience of their absence and our struggle to attain them McGowan reconsiders the history of Nazism and Stalinism and reclaims the universalism of movements fighting racism sexism and homophobia He demonstrates that the divide between Right and Left comes down to particularity versus universality Despite the accusation of identity politics directed against leftists every emancipatory political project is fundamentally a universal one and the real proponents of identity politics are the right wing Through a wide range of examples in contemporary politics film and history *Universality and Identity Politics* offers an antidote to the impasses of identity and an inspiring vision of twenty first century collective struggle *The Nation* ,1908 **The Saturday Review of Politics, Literature, Science and Art** ,1901 Bookman's Journal with which is Incorporated the Print Collector ,1920 V 1 3 include Bibliographies of modern authors by Henry Danielson **Dementia and Literature** Tess Maginess,2017-08-09 Dementia is an urgent global concern often termed a widespread problem tragedy or burden and a subject best addressed by health and social policy and practice However creative writers can offer powerful and imaginative insights into the experience of dementia across cultures and over time This cross disciplinary volume explores how engaging with dementia through its myriad literary representations can help to deepen and humanise attitudes to people living with the condition Offering and interrogating a wide array of perspectives about how dementia might be imagined this book allows us to see how different ways of being can inflect one another By drawing on the lived experience of the individual unique person and their loved ones literature can contribute to a deeper and more compassionate and more liberating attitude to a phenomenon that is both natural and unnatural Novels plays and stories reveal a rich panoply of responses ranging from the tragic to the comic allowing us to understand that people with dementia often offer us models of humour courage and resilience and carers can also embody a range of responses from rigidity to compassion *Dementia and Literature* problematises the subject of dementia encouraging us all to question our own hegemonies critically and creatively Drawing on literary studies cultural studies education clinical psychology psychiatry nursing and gerontology this book is a fascinating contribution to the emerging area of the medical and health humanities The book will be of interest to those living with dementia and their caregivers as well as to the academic community and policy makers True Latter-Day Saints' Herald ,1905 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints **Combat and operational behavioral health** ,2011 *The Citizen* ,1895
