We Will Destroy Your Planet David McIntee, 2013-11-20 For over a hundred years Aliens have been trying to take over the Earth but every time they have failed often in the most unlikely ways. Well no more. *We Will Destroy Your Planet* offers our future alien overlords all of the information necessary to bring humanity to its knees. Planning for an interstellar or even intergalactic conquest is a complex affair that even races which have mastered faster than light travel might find difficult. This book offers practical how to advice on a variety of topics including logistics, environmental factors and of course human weaknesses. It also goes into the big question of why you want to destroy or enslave the Earth as this is crucial in determining which strategy and tactics to employ. Once that has been determined the book follows as step by step approach to annihilating human resistance suggesting the best and worst weapons and giving guidelines on just how much destruction is optimal. With this book in hand there is little doubt that humans are now in their last generation as masters of the Earth.

Treat Us Like Dogs and We Will Become Wolves Carolyn Chute, 2014-11-04 An intellectual page turner set in a secretive countercultural community by the author of *The Beans of Egypt, Maine*. *O, The Oprah Magazine*. It's the height of summer 1999 when local Maine newspaper the *Record Sun* receives numerous tipoffs from anonymous callers warning of violence, weapons stockpiling and rampant child abuse at the nearby homeschool on Heart's Content Road. Hungry to break into serious journalism, Ivy Morelli sets out to meet the mysterious leader of the homeschool, Gordon St. Onge, referred to by many as The Prophet. Soon Ivy ingratiates herself into the sprawling Settlement, a self-sufficient counterculture community that many locals suspect to be a wild cult. Despite her initial skepticism, not to mention the Settlement's ever growing group of pregnant teenage girls, Ivy finds herself irresistibly drawn to Gordon. Then a newcomer, a gifted disturbed young girl with wild orange hair, joins the community and falls into a complicated relationship with the charismatic Prophet. When the *Record Sun* finally runs its piece on the leader of the Settlement, lives will be changed both within and beyond the community. In this novel by a writer described by the *New York Times Book Review* as a James Joyce of the backcountry, a Proust of rural society.

Back as Honored Guests Ted Rall,2025-08-22 An unflinching account in words and pictures of America s longest war by our most outspoken graphic journalist Ted Rall traveled deep into Afghanistan without embedding himself with U S soldiers without insulating himself with flak jackets and armored SUVs where no one else would go except of course Afghans He made two long trips the first in the wake of 9 11 and the next ten years later to see what a decade of U S occupation had wrought On the first trip he shouted his dispatches into a satellite phone provided by a Los Angeles radio station attempting to explain that the booming in the background and sometimes the foreground were the sounds of an all out war that no one at home would entirely own up to Ten years later the alternative newspapers and radio station that had financed his first trip could no longer afford to send him into harm s way so he turned to Kickstarter to fund a groundbreaking effort to publish online a real time blog of graphic journalism essentially a nonfiction comic documenting what was really happening on the ground filed daily by satellite The result of this intrepid reporting is After We Kill You We Will Welcome You Back as Honored Guests a singular account of one determined journalist s effort to bring the realities of life in twenty first century Afghanistan to the world in the best way he knows how a mix of travelogue photography and award winning comics **We Will Seek**

Us Out of Christianity and Into Messianic Judaism Donald Werner,2020-02-03 Beginning around the 4th Century the Christian church accelerated its downhill slide into apostasy Today the Christian church is nothing at all what we read about in the Book of Acts and that is because it has set aside Jesus teachings to follow the teachings of Paul Jesus teachings and Paul s teaching are polar opposites and cannot be reconciled regardless of how hard the church tries to gloss over the differences Today s Christian Church bases its doctrines on Paul s writings to the exclusion of Jesus words And because they have set Jesus words aside they have reject God s Torah law which Jesus told us to keep and that leads to many other
