

Protoss Units:

Probe – Probes are workers for the Protoss. Probes are used to gather resources and warp in structures, and as well as used for early game scouting.

Zealot - Zealots the most basic unit for the Protoss. Zealots are strong, but they are melee units. While they are good against other melee units such as Zerglings they are usually pretty weak against most range units and obviously air units.

Stalker – Stalkers are one of my favorite units for the Protoss. Stalkers are general strong against most units of its rank, and once Blink is upgraded they are even more powerful.
