Survival Mode Nick Keloms, 2011-04-08 Life isn't always easy. For me it is always like a roller coaster. You have your ups and your downs and sometimes you feel totally upside down. Unlike a roller coaster though, in life you have forks in the road that can lead to different avenues and life-changing events. I have dealt with the loss of close friends and family members but have also gained some along the way. I have had to make some difficult decisions that would change my life forever. This book is the story of my life so far. There are many strange, funny, and challenging events that have happened along the way. I have written about a few lessons I have learned, either from other people or the hard way. Hopefully, by reading this story, you can relate, laugh, be dumbfounded, or even learn something. I hope you enjoy reading about this adventure that I call my life.
