Even though it was only a rumor Iago will do, as if for surety , (Act 1, Scene 3, Line 360), which shows how driven Iago is when it comes to his plot against Othello. At this point in the play we still do not have a clear idea as to what Iago is going to do to Othello we only know that he wants revenge and he wants to ruin Othello s marriage. In Act 1 we learn how clever and manipulative Iago can be, which is horrible
