State Of Nj Organized Crime Report:

MafiaNJ. com Presents New Forces in New Jersey Organized Crime State of New Jersey Commission of Investigation, 2009-04 **Garden State Gangland** Scott M. Deitche, 2017-12-08 The Mafia in the United States might be a shadow of its former self but in the New York New Jersey metro area there are still wiseguys and wannabes working scams extorting businesses running gambling selling drugs and branching out into white collar crimes And they are continuing a tradition that s over 100 years old Some of the most powerful mobsters on a national level were from New Jersey and they spread their tentacles down to Florida across the Atlantic and out to California And many of the stories have never been told Deitche weaves his narrative through significant as well as some lesser known mob figures who were vital components in the underworld machine New Jersey s organized crime history has been one of the most colorful in the country serving as the home of some of the most powerful as well as below the radar mobsters in the Country And though overshadowed by the emphasis on New York City the mob and New Jersey have over the years become synonymous in both pop culture and in law enforcement But for all the press that has been dedicated to the mob and New Jersey for all the law enforcement activity against the mob and for all the pop culture references there has never truly been an examination of the rise of the mob in New Jersey from a historical perspective Until now In **Garden State Gangland** Scott M Deitche sets the historical record straight by providing the first overall history of the mob in New Jersey from the early turn of the century Black Hand gangs to the present and looks at how influential they were was not only to goings on the Garden State but across the New York metro region and the country as a whole **Organized Crime** United States. National Advisory Committee on Criminal Justice Standards and Goals. Task Force on Organized Crime, 1976 Standards designed for adoption at the state and local levels for the purpose of preventing and reducing organized crime in America are presented in this comprehensive report The standards recommended in this report were formulated to assist all sectors of the community as well as the agencies of state and local governments As a unit these standards constitute a comprehensive plan for the prevention and control of organized criminal activity in this country Following the introductory remarks a brief history of organized criminal activity in the united states a description of the general characteristics of organized crime and the results of a study of the various ways state and local governments have dealt with the problem are presented Part 3 of this report presents standards to guide state and local governments officials of the criminal justice system and private citizens in the design and implementation of programs to combat organized criminal operations These standards are based on successful models operating in the states or on concepts that the task force and the national advisory committee considered necessary for effective prevention and control of organized crime Proposals for state and local administrative and regulatory agencies to participate in organized crime control programs to the fullest extent of their statutory authority are contained in chapter 4 The standards in chapters 5 through 8 recommend specific policies law enforcement mechanisms prosecutorial tools and legal procedures for adoption by

the criminal justice system The standards in chapter 9 recommend that appropriate training programs in organized crime control be instituted for all levels of the criminal justice system General educational programs for the private sector are also recommended Hearings, Reports and Prints of the Senate Committee on the Judiciary United States.
