Sales Force Management Mark W. Johnston, Greg W. Marshall, 2013-05-02 In this latest edition of *Sales Force Management* Mark Johnston and Greg Marshall continue to build on the tradition of excellence established by Churchill Ford and Walker solidifying the book's position globally as the leading textbook in the field. It's a contemporary classic fully updated for modern sales management practice. Including the Churchill Ford and Walker approach, the new edition also features a strong focus on leadership, technology, innovation, ethics, and global business. New material integrated throughout the book on multifaceted sales communication approaches, leadership, and the relationship between the marketing and sales functions. Continued partnership with HR Chally, a global sales consultancy that supplies cutting edge data for each chapter, allowing students to benefit from understanding and working with real world applications of current sales force challenges. Enhanced learning features such as short and long cases to stimulate discussion, leadership challenges to assess students' ability to make decisions, role plays to allow students to learn by doing, and more. Handbook of Classical Sociological Theory Seth Abrutyn, Omar Lizardo, 2021-11-01 This is the first handbook focussing on classical social theory. It offers extensive discussions of debates, arguments, and discussions in classical theory and how they have informed contemporary sociological theory. The book pushes against the conventional classical theory pedagogy which often focused on single theorists and their contributions and looks at isolating themes, capturing the essence of the interest of classical theorists that seem to have relevance to modern research questions, and theoretical traditions. This book presents new approaches to thinking about theory in relationship to sociological methods.
