The Author Training Manual Nina Amir, 2014-03-18. If you want to write a book that's going to sell to both publishers and readers, you need to know how to produce a marketable work and help it become successful. The Author Training Manual will show you how to get more creative and start looking at your work with those high standards in mind. Whether you're writing fiction or non-fiction or intend to publish traditionally or self-publish, author Nina Amir will teach you how to conduct an effective competitive analysis for your work and do a better job at delivering the goods to readers than similar books that are already on the shelf.
