How to Speak Machine, with a new preface by the author John Maeda, 2025-05-20 A simple enduring framework for understanding the complex world of AI and machine learning updated with a new preface As the capabilities of AI and language models like ChatGPT continue to advance it is more important than ever to understand the implications and potential pitfalls of these technologies Reissued with a new preface How to Speak Machine which was first published in 2019 draws on John Maeda's extensive experience as one of the world's preeminent interdisciplinary thinkers on technology and design to provide actionable guidance for businesses product designers and policymakers Using thoughtful explorations and occasionally whimsical examples he identifies a framework that describes the key capabilities and pitfalls of any machine learning system and offers a vision for how they can be used to create inclusive and world changing products Essential reading for anyone seeking a high level understanding of how machines think and what the future may hold How to Speak Machine is more relevant than ever today as AI becomes even more enmeshed in all areas of business and product design

How to Speak Machine John Maeda, 2019-11-12 Visionary designer and technologist John Maeda defines the fundamental laws of how computers think and why you should care even if you aren't a programmer Maeda is to design what Warren Buffett is to finance Wired John Maeda is one of the world's preeminent interdisciplinary thinkers on technology and design In How to Speak Machine he offers a set of simple laws that govern not only the computers of today but the unimaginable machines of the future Technology is already more powerful than we can comprehend and getting more powerful at an exponential pace Once set in motion algorithms never tire And when a program's size speed and tirelessness combine with its ability to learn and transform itself the outcome can be unpredictable and dangerous Take the seemingly instant transformation of Microsoft's chatbot Tay into a hate spewing racist or how crime predicting algorithms reinforce racial bias How to Speak Machine provides a coherent framework for today's product designers business leaders and policymakers to grasp this brave new world Drawing on his wide ranging experience from engineering to computer science to design Maeda shows how businesses and individuals can identify opportunities afforded by technology to make world changing and inclusive products while avoiding the pitfalls inherent to the medium

Wireless Internet Access For Dummies? Curt Simmons, 2001-06-29. Wireless Internet Access For Dummies covers the essentials that beginning users need to explore the technology and gain an understanding of what Wireless Internet is, what it costs, how to get it, and any potential problems with wireless communication. This friendly guide includes descriptions of wireless devices: cell phones, pagers, handhelds, and wireless appliances; explains the different providers and service plans: AT&T, Sprint, PCS, Microsoft, Ericsson, Nokia; and explains how to e-mail, send instant messages, get stock updates, shop online, browse the Internet, get weather and news updates. And it even includes coverage of wireless access from abroad for the technologically savvy business traveler. In short, Wireless Internet Access For Dummies completely demystifies wireless Internet for the new user.

The Pension Puzzle Bruce Cohen, Brian Fitzgerald, 2001-12-03. Millions of Canadians are covered by pension plans in one form or another, whether that's CPP, a company plan, or personal RRSPs. But pensions are the benefit least understood by employees. They're confusing and complex, but understanding pensions is crucial to every Canadian's financial security in retirement. *The Pension Puzzle* is a true owner's manual for anyone with a pension plan. Explains what pensions are, how all the different types work, how government employer plans and RRSPs fit together, and how to determine the value of your employer's plan. Shows you how to determine how much income you'll need in retirement, how much government benefits and employer plans will provide for you, and how aggressive you have to be with your own RRSP investments to supplement these other plans. Helps you make sound decisions about your pension plan and how it affects your financial future, whether you're planning your retirement, changing jobs, handling a divorce, or making decisions about early retirement. Includes practical forms and worksheets, tips, and examples. *The Pension Puzzle* is not just for those about to retire. It's for every working Canadian who needs to make decisions about their pension plan and how it affects their financial future.
