descendants and he is widely acknowledged as the pre eminent historian of the Land Rover *The Golden Disc* Robyn Adams,2013-11-19 Holding up the device Jondra said This is the Golden Disc of Ra the Healing Bomb from our home planet Because of the sudden and unexpected nature of its destruction this force was never activated It was originally prepared to transmute negative emotional thoughts into much more compassionate and loving actions in an explosion of consciousness not protect us from wayward meteors One day it may save the dwellers on this planet Earth from destroying themselves Pity we never had a chance to test it The Earth is in crisis as the Forces of Darkness and Destruction are rapidly gaining power in many countries Four people remember their ancient pledge to re discover one section of the powerful device if a dire enough situation warrants it When a rogue country detonates a nuclear bomb over Jerusalem these four are called to save humanity from a destructive aftermath of retribution From each continent comes one whose ancient destiny is to reassemble the Golden Disc programmed millennia ago to empower the Forces of Light to triumph One by one the four are awakened to their destiny reconnected with each other and travel to Kenya to reassemble the Golden Disc that will save the Earth They must release a wave of higher consciousness from the device called a Healing Bomb before several other countries ally to become involved in all out nuclear war which will have a cataclysmic effect on Earth and humanity far greater than the predicted earth changes that were due to take place at the end of 2012 Will they make it before the deadline and can they remember how to re assemble the device in time If it is not done absolutely correctly a terrible confl agration could destroy the very thing they are trying to save Earth To do so they will have to outwit those whose role it is to prevent this from happening by Robyn Adams *Aargh!* Joss Smith Westonpeglepegler,2011-06-01 The writing is a fascinating blend of wry contemporary social narrative a la Nick Hornby yet conveying a message about the divisive South African culture reminiscent of JM Coetzee Some of the brutally honest accounts of Joss early sexual encounters would probably shock if taken out of context but he somehow manages to make them seem wholly acceptable as he struggles to come to terms with his many desires in an Apartheid governed world Rupert Reid DescriptionThis eccentric book is an attempt to make manic depression more widely understood given the stigmatism that it is usually associated with The illness creates a jaundiced perception of people and reality and it is probably for this reason that the characters names are changed otherwise it is a real story However there is no distinction between reality and dreams It is not a story about success victory or triumph although equally given the circumstances it is also not one of failure either It is a journey that starts in normality and ends in the opposite corner beginning with a disturbed and violent dream The book charts the experiences of Joss through Africa and Australia marriage and running a business On a few occasions the narrative fails and the author expresses his nightmares secret thoughts imagery and disbeliefs in poetry The sudden loss of control or sanity and his arrival in a mental asylum and the view from inside is both very distressing and strangely humorous It ends on a note of poignancy recalling Joss supposed recovery and his attempted assimilation back into society A fascinating and thoroughly engaging read a must for anybody who wishes to

further understand the thoughts and actions of a manic depressive About the Author Joss has been a Company Director and is now a student at the Open University Joss is a republican who does not use products that have been tested on animals prefers to buy second hand clothes from Oxfam reads the Telegraph and listens to Radio Four His experiences include seeing a UFO scratching a white rhino and a tarantula s stomach riding an ostrich and he has been in a high speed police car chase Joss has run the Comrades Marathon 89 kilometres in 7 hours 29 minutes and 59 seconds For nine years Joss was a vegetarian did not eat chocolate or drink alcohol He is a one time member of Greenpeace votes Labour is a pacifist asthmatic left hander bow legged has one kidney and suffers from manic depression
