State Violence And The Execution Of Law:

State Violence and the Execution of Law Joseph Pugliese, 2014-07-28 *State Violence and the Execution of Law* examines how law plays a fundamental role in enabling state violence and specifically specifically torture secret imprisonment and killing at a distance Analysing the complex ways in which the U S government deploys law in order to consolidate and further colonial and imperial relations of power Joseph Pugliese tracks the networks that enable the diffusion and normalisation of the state s monopoly of legitimate violence both in the U S and transnationally He demonstrates how these networks of state violence are embedded within key legal institutions US Department of Justice military apparatuses U S Defense Advanced Research Projects Agency civic sites McCarran airport Las Vegas corporations Boeing carceral architectures CIA Salt Pit Kabul and Guant namo and advanced technologies unmanned aerial combat vehicles Law s violence it is maintained is always preoccupied with the body its torture extortion or extermination The exercise of state violence it is argued must be considered in situated locations that evidence the enmeshment of the body within geopolitical configurations of bio and necropower For it is in these locations that law plays a foundational role in enabling and legitimising regimes of racialised violence Drawing on poststructuralist feminist queer critical legal whiteness and anti colonial theories *State Violence and Execution of Law* brings into focus the contractual imbrication of the state with arms corporations and the contemporary military industrial complex

State Violence and the Execution of Law Joseph Pugliese, 2013-03-20 *State Violence and the Execution of Law* stages a provocative analysis of how the biopolitical divide between human and animal has played a fundamental role in enabling state violence including torture secret imprisonment and killing at a distance via drones Analyzing the complex ways in which the United States government deploys law in order to consolidate and further imperial relations of power Pugliese tracks the networks that enable the diffusion and normalization of the state s monopoly of violence both in the US and in an international context He demonstrates how networks of state violence are embedded within key legal institutions military apparatuses civilian sites corporations carceral architectures and advanced technologies The author argues that the exercise of state violence as unleashed by the war on terror has enmeshed the subjects of the Global South within institutional and discursive structures that position them as non human animals that can be tortured killed and disappeared with impunity Drawing on poststructuralist critical race and whiteness and critical legal theories the book is transdisciplinary in its approach and value It will be invaluable to university students and scholars in Critical Legal and Socio Legal Studies Cultural Studies Race and Ethnicity Studies International Politics and Postcolonial Studies

Torture and State Violence in the United States Robert M. Pallitto, 2011-11 Organized around five broad thematic periods in American history colonial America and the early republic slavery and the frontier imperialism Jim Crow and World Wars I and II the Cold War Vietnam and police torture and the war on terror this annotated documentary history traces the low and high points of official attitudes toward state violence Page 4 of cover

Analyzing the Drone Debates: Targeted Killing, Remote

Warfare, and Military Technology James DeShaw Rae, 2014-03-16 The book examines principal arguments for and against the use of unmanned aerial vehicles for surveillance and targeted killing Addressing both sides of the argument with clear and cogent details the book provides a thorough introduction to ongoing debate about the future of warfare and its ethical implications

Cultural Studies of Law Cristyn Davies, Sara Knox, 2015-10-14 This edited collection is a cultural analysis of how law is shaped into procedure and principle by the conditions of everyday life Law is constitutive of culture just as culture and cultural analyses shape resist and interrogate legal regulation exception and norms So too does law have a dual capacity in the field of culture it enables the formation of subjects and of cultural practices and it constrains those very formations This book uses the animating critical concerns of Cultural Studies over the last 20 years that is the symbolic material economic and political practices and power relations that are inscribed in everyday life to analyze the assembly of practices procedures sites interactions and agents of law The chapters in this collection accordingly examine the conditions of law s everyday life in situations ordinary and extraordinary to show it in the moment of its working This book was originally published as a special issue of Cultural Studies

Postcolonial Surveillance Anouk Madörin, 2022-09-08 Postcolonial Surveillance investigates the long history of the European border regime focusing on the colonial forerunners of today s border technologies The book takes a longue dur e perspective to uncover how Europe s colonial history continues to shape the high tech political present and has morphed into EU border migration policies border security and surveillance apparatuses It exposes the racial hierarchies and power relations that form these systems and highlights key moments when the past and present interact and collide such as in panoptic surveillance biopolitical registers biometric sorting and deterrent media infrastructure The technological genealogies assembled in this book reveal the unacknowledged histories that had to be rejected for the seemingly clean unbiased and neutral technologies to emerge as such

Law, Culture and Visual Studies Anne Wagner, Richard K. Sherwin, 2013-07-11 The proposed volumes are aimed at a multidisciplinary audience and seek to fill the gap between law semiotics and visibility providing a comprehensive theoretical and analytical overview of legal visual semiotics They seek to promote an interdisciplinary debate from law semiotics and visibility bringing together the cumulative research traditions of these related areas as a prelude to identifying fertile avenues for research going forward Advance Praise for Law Culture and Visual Studies This diverse and exhilarating collection of essays explores the many facets both historical and contemporary of visual culture in the law It opens a window onto the substantive jurisdictional disciplinary and methodological diversity of current research It is a cornucopia of materials that will enliven legal studies for those new to the field as well as for established scholars It is a must read that will leave you wondering about the validity of the long held obsession that reduces the law and legal studies to little more than a preoccupation with the word Leslie J Moran Professor of Law Birkbeck College University of London Law Culture Visual Studies is a treasure trove of insights on the entwined roles of legality and visibility From multiple interdisciplinary perspectives by scholars from

around the world these pieces reflect the fullness and complexities of our visual encounters with law and culture From pictures to places to postage stamps from forensics to film to folklore this anthology is an exciting journey through the fertile field of law and visual culture as well as a testament that the field has come of age Naomi Mezey Professor of Law Georgetown University Law Center Washington D C USA This highly interdisciplinary reference work brings together diverse fields including cultural studies communication theory rhetoric law and film studies legal and social history visual and legal theory in order to document the various historical cultural representational and theoretical links that bind together law and the visual This book offers a breath taking range of resources from both well established and newer scholars who together cover the field of law s representation in interrogation of and dialogue with forms of visual rhetoric practice and discourse Taken together this scholarship presents state of the art research into an important and developing dimension of contemporary legal and cultural inquiry Above all Law Culture and Visual Studies lays the groundwork for rethinking the nature of law in our densely visual culture How are legal meanings produced encoded distributed and decoded What critical and hermeneutic skills new or old familiar or unfamiliar will be needed Topical diverse and enlivening Law Culture and Visual Studies is a vital research tool and an urgent invitation to further critical thinking in the areas so well laid out in this collection Desmond Manderson Future Fellow ANU College of Law Research School of Humanities the Arts Australian National University Australia The Debates and Proceedings in the Congress of the United States United States. Congress,1852 **Pain, Death, and the Law** Austin Sarat,2009-09-11 This collection of essays examines the relationship between pain death and the law and addresses the question of how the law constructs pain and death as jurisprudential facts The empirical focus of these essays enables the reader to delve into both the history and the theoretical complexities of the pain death law relationship The combination of the theoretical and the empirical broadens the contribution this volume will undoubtedly make to debates in which the right to live or die is the core issue at hand This volume will be an important read for policy makers and legal practitioners and a valuable text for courses in law the social sciences and the humanities Austin Sarat is William Nelson Cromwell Professor of Jurisprudence and Political Science Amherst College *The Debates and Proceedings in the Congress of the United States; with an Appendix, Containing Important State Papers and Public Documents, and All the Laws of a Public Nature; with a Copious Index...
