Barston, 2024-12-30 This comprehensive volume examines developments in diplomatic technique and changes in the diplomatic and political structures which shape and are shaped by international relations and the international order It provides a comprehensive foundation for understanding the theory practice and utility of diplomacy showing how diplomatic techniques are used in different contexts and the various tools that are available to policy actors to provide a broad yet deep view of the subject area Organised around a framework of 11 chapters the book embraces new ideas and fresh perspectives exploring individual methods such as reorientation replacement institutions to combat decline or ineffectiveness of existing arrangements summit conferences contrasting approaches to economic agreements and use of secret diplomatic methods among others Furthermore it develops new concepts such as logistics diplomacy counter diplomacy parallel diplomacy and the alternative architecture and is widely illustrated with detailed examples including the diplomacy of geopolitics the conflict over rules for plastics marine resource disputes dark trade and sanctions and influence and strategic surprise This textbook will be essential reading for all those interested in or studying in the fields of diplomacy comparative foreign policy foreign policy analysis and more broadly to international relations      *Comrades Beyond the Cold War* Tycho van der Hoog, 2025-04-15 A pioneering account of how African revolutionaries benefitted from North Korean aid in their struggles for independence and how they repay this support today      International Arbitration and the Rule of Law, 2017-09-22 Volume 19 of the Congress Series contains the proceedings of ICCA's 2016 Mauritius Congress the first ICCA Congress held in Africa In this volume renowned practitioners scholars and jurists from the region and around the world explore the contribution of arbitration to the rule of law and economic development the conformity of arbitration with international standards of due process and the rule of law and the benefits and challenges of arbitration in Africa Topical issues of interest for practitioners academics and students of arbitration in the region and internationally include Due process issues in constituting the arbitral tribunal and challenging its members Interim measures issued by arbitral tribunals and domestic courts Burden standard and types of proof in the corruption defence What to do and what to avoid doing to prepare a persuasive case Do post award remedies ensure conformity of the arbitral process with the rule of law Do rules and guidelines properly regulate the conduct of arbitration The interface between domestic courts and arbitral tribunals What are appropriate remedies for findings of illegality in investment arbitration The effect of foreign national court judgments relating to the arbitral award What does the future hold for investment arbitration in Africa and beyond      General International Law in International Investment Law Andreas Kulick, Michael Waibel, 2024 This Commentary systematically and comprehensively examines the various sources of general international law relevant to international investment law and arbitration      **Political Handbook of the World 2022-2023** Tom Lansford, Jorge Brown, 2023 With more in depth coverage of current political controversies than any other

reference guide Political Handbook of the World 2022 2023 is the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup

### **The Evolving Structure of South Africa's Economy**

Seeraj Mohamed, Amuzweni Ngoma, 2024-01-23 South Africa still faces low economic growth and high unemployment coupled with the persistent challenges of poverty and inequality. These exert pressure on South Africa to foster structural transformation that will facilitate a more inclusive and resilient economy. Authors apply multiple theoretical and empirical perspectives to take stock of the historical and contemporary structure of the South African economy, its evolving nature and possible future pathways. They explore how South Africa's structural transformation agenda is affected by the global context and discuss debates on the extreme social impacts of globalised and financialised economic structures. Contributors offer technical and analytical discussions of the overlapping structural faultlines that produce uneven economic performance. They explain the changes and continuities of South Africa's economic structure bound by an analytical thread that centres power relations and political settlements. Varied chapters explain how poor governance and corruption have slowed down structural reform. This has been further exacerbated by the inconsistent availability of energy and the deterioration of logistics. The book details the structural reforms and policy regimes necessary for increasing productive capacity in South Africa's agriculture, manufacturing, agro-processing, retail and services, energy and mining industries. It also reflects on the role that micro and informal enterprises can play if afforded the necessary support. The technical details and analyses in the book highlight the need for a radical review of macroeconomic policy to reduce the country's chronic vulnerability to poverty and inequality.

The Arms Trade Treaty: A Commentary Andrew Clapham, Stuart Casey-Maslen, Gilles Giacca, Sarah Parker, 2016-07-28

The United Nations Arms Trade Treaty became binding international law in late 2014 and although the text of the treaty is a relatively concise framework for assessing whether to authorize or deny proposed conventional weapons transfers by States Parties, there exists controversy as to the meaning of certain key provisions. Furthermore, the treaty requires a national regulatory body to authorize proposed transfers of conventional weapons covered by the treaty but does not detail how such a body should be established and how it should effectively function. *The Arms Trade Treaty: A Commentary* explains in detail each of the treaty provisions, the parameters for prohibitions or the denial of transfers, international cooperation and assistance and implementation obligations and mechanisms. As states ratify and implement the Treaty over the next few years, the commentary provides invaluable guidance to government officials, commentators and scholars on the meaning of its contentious provisions. This volume describes in detail which weapons are covered by the treaty and explains the different forms of transfer that the Arms Trade Treaty regulates. It covers international human rights, trade, disarmament, humanitarian law, criminal law and state to state use of force as well as the application of the treaty to non-state actors.

### **Power,**

**Participation, and Private Regulatory Initiatives** Daniel Brinks, Julia Dehm, Karen Engle, Kate Taylor, 2021-07-30 From unsafe working conditions in garment manufacturing to the failure to consult indigenous communities with regard to

extractive industries that affect them human rights violations remain a pervasive aspect of the global economy Advocates have long called upon states as the primary duty bearers and enforcers of human rights to hold corporations directly accountable for violations committed throughout the supply chain More recently many business and human rights advocates have considered the development and enforcement of private regulatory initiatives PRIs to certify that actors along the supply chain conform to certain codes of conduct Many advocates see these PRIs as holding the potential to create better outcomes whether for workers affected communities or the environment within a global economy structured by supply chain capitalism This volume brings together academics and practitioners from a number of regions throughout the world to engage in theoretical analysis case study exploration and reflection on a variety of PRIs Theorizing outward from the work of practitioners and activists on the ground the book brings essential but often overlooked questions to the scholarly debates on business human rights and global governance Ultimately the contributions coalesce around one basic claim that the inequalities and disparities of power and wealth that are a key characteristic of the contemporary global economy can also mark the origins and operation of PRIs and do so to varying degrees The collection highlights the need for discussions about labor environmental and other human rights accountability to be situated within a broader analysis of the political economy of contemporary supply chain capitalism It seeks to enrich discussions of PRIs by bringing into the conversation concerns about distributive justice and political economy

**Chemical Control** Michael Crowley, 2016-01-26 This thoroughly researched study highlights the international community's failure to regulate contemporary state research development marketing and or deployment of riot control agents and incapacitating chemical agent weapons *Code of Federal Regulations, Title 31, Money and Finance: Treasury, PT. 500-End, Revised as of July 1, 2015* Department of the Treasury (U S ), Department of the Treasury (U S, 2015-11-20 The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the United States Federal Government This ISBN is the official print version published by the U S Federal Government 31 CFR Parts 500 End 1099 continues coverage on the United States Department of Treasury In this volume you will find rules procedures processes and regulations relating to the Office of Foreign Assets Control Bureau of Engraving and Printing Office of Investment Security Federal Law Enforcement Training Center Federal Crimes Enforcement Network Federal claims collection standards and more Some of the topics within this volume include reporting procedures and penalties foreign country sanctions global terrorism sanctions foreign narcotics sanctions standards for the administrative collection of claims standards for the compromise collection of claims rules for banks casinos card clubs brokers and dealers in securities money business services and more Other related products The World Factbook 2014 2015 can be found here <https://bookstore.gpo.gov/products/sku/041-015-00316-0> ctid 1393 Foreign Countries Studies select print volumes can be found here <https://bookstore.gpo.gov/catalog/international/foreign-affairs/foreign-country-studies> Law Enforcement in a New Century and a Changing World Improving the
