

From these gestures, we the Reading Team / Teachers experience how to handle and adjust different personalities, characters, the comprehension level of our pupils, we could say that in dealing children we should be fair enough and have more patient for the slow learners. Through this experiences we have develop interest, loyalty and pre-saverance to teach our pupil to read to eradicate non readers in class.

Conclusion:

From all the experiences derived through teaching reading, we can conclude that these experiences played a great help to the reading teachers both personal and social development in teaching.

To have fair treatment with pupils, one can develop a whole some personality and strength the good relationship being established with them. By using visual aid or audio visual and also using the reading center with the Reading Instructional devices, the presentation of the lessons the pupils attention can be easily caught and deliver the lesson every well.

Teach with a smile, develop good rapport to children, don't let them feel resistant to approach us teacher. Encourage them to feel free to participate reading activities.

Connecting Teaching and Learning

Mark Girod, Hilda Rosselli, Meredith Brodsky, 2011-01-16 As accountability in education has become an increasingly prominent topic teacher preparation programs are being asked to provide credible evidence that their teacher candidates can impact student learning Teacher Work Samples first developed 30 years ago have emerged as an effective method of quantifying the complex set of tasks that comprise effective teaching and documenting the effectiveness of preservice teachers impact on student learning Hilda Rosselli Mark Girod and Meredith Brodsky editors of Connecting Teaching and Learning have assembled case studies from ten universities and insights from key policy leaders Now implemented in more than 200 colleges and universities across the country as well as in Scotland and

Chile a preponderance of new evidence is evolving from the use of Teacher Work Samples in various venues that is expanding the field's knowledge in areas of practice research and policy This volume also includes a chapter by the forerunner of Teacher Work Sample theory Del Schalock with his thoughts about remaining theory development needed to effectively link teacher preparation and student learning Furthermore Connecting Teaching and Learning provides practical advice on implementing Teacher Work Samples and is a must have resource for all educators alike

Practical Aspects of Teacher Evaluation Kelly Frels, 1984

Impacts of Teacher Evaluation and Professional Development on Student Outcomes Edward Crowe, Rena F. Subotnik, 2012-07-01

This particular case study is designed to explore the extent to which a teacher evaluation system is effective It also addresses the challenge of measuring student achievement gains when the students in question are already at the high end of the scale a different yet important problem in an era when many concentrate on low hanging fruit or students on the bubble between failure and marginal performance By presenting a realworld case various research methods for studying issues raised by the case and the interchange among scholars engaged in this effort this volume will allow educational policymakers and practitioners to decide if a proposed approach is compelling and relevant for their settings Concurrently a comparison of various research methods addressing a real school based problem provides an important learning tool for the research community and for those who study and make policy We also believe that the case study and the research designs will be useful for those with responsibility for framing and funding a research agenda in education that utilizes strong research designs applied to topics that matter to student outcomes at all levels of the U S education system and at all levels of pupil performance And finally we hope that doctoral programs that seek to prepare the next generation of education researchers will find our approach helpful in their work
