

From these gestures, we the Reading Team / Teachers experience how to handle and adjust different personalities, characters, the comprehension level of our pupils, we could say that in dealing children we should be fair enough and have more patient for the slow learners. Through this experiences we have develop interest, loyalty and pre-saverance to teach our pupil to read to eradicate non readers in class.

Conclusion:

From all the experiences derived through teaching reading, we can conclude that these experiences played a great help to the reading teachers both personal and social development in teaching.

To have fair treatment with pupils, one can develop a whole some personality and strength the good relationship being established with them. By using visual aid or audio visual and also using the reading center with the Reading Instructional devices, the presentation of the lessons the pupils attention can be easily caught and deliver the lesson every well.

Teach with a smile, develop good rapport to children, don't let them feel resistant to approach us teacher. Encourage them to feel free to participate reading activities.
