

HOW TO TEACH with Intention

For example, did they:

- Look at the first letter and guess the rest of the word?
- Hear it didn't make sense or notice that it didn't look right? Did they self-correct their error(s)?
- Read really fast? Or blow through punctuation?
- Miss the ending OR higher-level meaning?
- Give one word answers in comprehension? Or elaborate on their ideas?

STEP 2: GROUP YOUR STUDENTS

Now that you have notes on each student, how can you help them progress individually, in groups, and as a whole?

Many students need comprehension support, so it's important that guided reading happens in every K-G classroom. This is one key area where we shift to thinking about reading behavior, not just overall grade-level proficiency.

Guided reading is extremely meaningful even to those on and above level. It will help them dig deeper and think more about things like the writer's craft and intentions through shared text.

Your notes will help you get specific with support when working with students on leveled texts. Continue to group students by level during guided reading, and think about what to teach for, prompt for, and reinforce within small groups based on your assessment findings. The tips in the next section support this work.
