Team Mom Letters Parents:

It's All for the Kids Michael Messner, 2009-03-18 Today in a world quite different from the one that existed just thirty years ago both girls and boys play soccer baseball softball and other youth sports Yet has the dramatic surge in participation by girls contributed to greater gender equality In this engaging study leading sociologist Michael A Messner probes the richly complex gender dynamics of youth sports Weaving together vivid first person interviews with his own experiences as a volunteer for his sons teams Messner finds that despite the movement of girls into sports gender boundaries and hierarchies still dominate especially among the adults who run youth sports His book widens into a provocative exploration of why youth sports matter how they play a profound role in shaping gender class family and community **Complete Idiot's Guide to Coaching Youth Basketball** Bill Gutman, Tom Finnegan, 2003 No Marketing Blurb *The Kaleidoscope of Gender* Joan Z. Spade, Catherine G. Valentine, 2011 An accessible timely and stimulating introduction to the sociology of gender The Kaleidoscope of Gender Prisms Patterns and Possibilities Third Edition provides a comprehensive analysis of key ideas theories and applications in this field as viewed through the metaphor of a kaleidoscope This collection of creative articles by top scholars explains how the complex evolving pattern of gender is constructed interpersonally institutionally and culturally and challenges students to question how gender shapes their daily lives Like the prior edition the Third Edition maintains a focus on contemporary contributions to the field while incorporating classical and theoretical arguments to provide a broad framework Integrating a cross cultural focus and intersectional inquiry this unique text reader vividly illustrates that gender is a malleable continuum of prisms patterns and possibilities **No Slam Dunk** Cheryl Cooky, Michael A. Messner, 2018-05-30 In just a few decades sport has undergone a radical gender transformation However Cheryl Cooky and Michael A Messner suggest that the progress toward gender equity in sports is far from complete The continuing barriers to full and equal participation for young people the far lower pay for most elite level women athletes and the continuing dearth of fair and equal media coverage all underline how much still has yet to change before we see gender equality in sports The chapters in No Slam Dunk show that is this not simply a story of an unfinished revolution Rather they contend it is simplistic optimism to assume that we are currently nearing the conclusion of a story of linear progress that ends with a certain future of equality and justice This book provides important theoretical and empirical insights into the contemporary world of sports to help explain the unevenness of social change and how despite significant progress gender equality in sports has been No Slam Dunk Gender Through the Prism of Difference Maxine Baca Zinn, Pierrette Hondagneu-Sotelo, Michael A. Messner, 2016 Gender Through the Prism of Difference adopts a global transnational perspective on how race class and sexual diversity are central to the study of sex and gender In contrast with other books in this area which tend to focus on U S or European viewpoints this wide ranging anthology features many articles based on research done elsewhere throughout the world Now in its fifth edition the book opens with a revised and updated Introduction that sets the stage for

understanding gender as a socially constructed experience Featuring twenty eight new readings this edition covers compelling subjects like transgendered people intersex issues men and masculinity sexual and gender violence disabilities obesity reproductive technologies educational testing aging and ageism and Occupy Wall Street **Mothers, Mothering and Sport: Experiences, Representations , Resistances** Judy E. Battaglia,2018-09-01 Mothers and mothering have been a longtime focus of research and study in various academic disciplines and common topics of interest in mainstream press and popular culture yet the experiences of mothers and mothering in the area of sport have been less explored This innovative interdisciplinary collection provides a space for exploration of the complex dimensions of intersections between mothers mothering and sport as athletes players participants parents and discursive figures Topics discussed are wide ranging from motherwork in sport mothers as athletes the athlete mother in sports representations and expectations of motherhood and health legal regulation of sports and parenting as well as sexuality and gender in sports and gaming

School Hazard Zone Pamela Althea Joyce,2008 School Hazard Zone Beyond the Silence Finding a Voice explores the dynamics that help to perpetuate minority academic underachievement Through five years of journal entries epiphanies and inspirations Pamela Althea Joyce presents an honest glimpse of undemocratic practices at an urban suburban high school She identifies variables associated with minority achievement examines experiences of the individuals involved ultimately reframes the achievement gap problem and invites the reader to take a stand on the matter From the perspective of a teacher preoccupied with the daily challenges of minority students Joyce identifies positive and negative influences originating from self school and society which play a role in tilting the academic playing field to the disadvantage of underachieving students She provides alternatives offering do now low cost suggestions and feasible long term ideas for closing the achievement gap The book will be enlightening for the general public administrators teachers student teachers parents and all individuals concerned about the future of the American educational system Group Work with Sexually Abused Children Lynn Grotzky,Carel Camerer,Lynn Damiano,2000 This easy to follow manual presents techniques for working with groups of children who have been sexually abused It begins with an overview of the theory and literature of group therapy with children and then offers seven sections on psycho social skill building techniques trust building self esteem identifying and expressing feelings healing the inner child relationships boundary setting and prevention skills

this book resolves misperceptions using findings from large scale longitudinal and qualitative research studies from the US and other Western countries Summarising the evidence and integrating it with a systems perspective the authors explore ten prevalent myths about teenage parents including Teen pregnancy is associated with other behavior problems Children of teen parents will experience cognitive delay adjustment problems and will themselves become teen parents Better outcomes are achieved when teen mothers live with their own mothers Teen pregnancy costs tax payers lots of money Abstinence education is the best way to prevent teen pregnancy Teen Pregnancy and Parenting ends by highlighting the prevention and intervention implications for families practitioners and policymakers It will be of interest to academics and advanced students from a range of disciplines and professions including psychology public policy nursing social work and sociology

MTV and Teen Pregnancy Letizia Guglielmo, 2013-05-30 In 2009 16 and Pregnant premiered on MTV closely followed by the spinoffs Teen Mom and Teen Mom 2 Because of their controversial portrayals of teenage mothers the shows have received ongoing media attention While some argue that the programs could play a factor in reducing the number of teen pregnancies others claim the shows exploit young women and glamorize their situations Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences In MTV and Teen Pregnancy Critical Essays on 16 and Pregnant and Teen Mom contributors from a variety of backgrounds and expertise offer potent essays about these programs Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents Part IV draws from TV's representations of reality to discuss the impact of these shows on the viewing audience This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads As the debates about 16 and Pregnant and Teen Mom continue this collection provides a valuable critical discourse to be used both inside and outside the classroom Those engaged in courses on gender and women's studies as well as media studies social work and family and childhood development will find MTV and Teen Pregnancy especially insightful as will those involved in community outreach programs not to mention teens and young mothers themselves
