The Intrapreneur's Journey Hugh Molotsi, Mjumo Mzyece, Ogundiran Soumonni, Jeff Zias, 2023-05-01 An essential business guide on how to develop an organization s innovation culture and internal entrepreneurs intrapreneurs The Intrapreneur s Journey Empowering Employees to Drive Growth is an essential guide on effectively creating and implementing a sustainable culture of innovation and entrepreneurship within organizations The book is based on the insight that established organizations see continuous delivery of innovative products services and processes when they enable teams of entrepreneurial employees to think and behave like start ups Three qualities make this book unique First it explores the theory and practice of intrapreneurship and innovation with a particular but not exclusive focus on key issues in African contexts Second it includes a large diverse set of instructive examples and case studies of intrapreneurship and innovation in organizations in Africa And third it features a useful toolkit the Intrapreneurship Empowerment Model a simple yet complete implementation framework The book includes key resources of practical real world tools and assets used by some of the world s most intrapreneurial and innovative

organizations The Intrapreneur's Journey adds value for both practitioners and scholars of intrapreneurship and innovation in Africa and other parts of the world

The gap between technology awareness and adoption in Sub-Saharan Africa: A literature review for the DeSIRA project Kazembe, Cynthia, 2021-03-02 This paper reviews different studies on technology adoption in sub Saharan Africa to understand the determinants of low adoption of improved technologies with a special focus on Malawi This will in turn help explain why there is a gap between awareness and adoption of agriculture technologies As evidenced from the results of the FGDs conducted in Malawi in 2018 despite the visible benefits of the new technologies farmers often do not adopt or take a long time to adopt them This creates a gap between awareness of agriculture technologies and their adoption The existing literature from sub Saharan Saharan Africa demonstrates that adoption as a decision making process is affected by farmers access to information their financial and human capital incentives and external programs plus farmers attitude to risk

Digital Public Relations and Marketing Communication Trends in Africa Anne W. Njathi, Brandi Watkins, 2024-06-07 The uptake of digital media platforms necessitates the need to understand how digital cultures of consumers and brands are unfolding Despite the increase in usage and adoption of the internet in Africa there is limited information about digital marketing trends on the continent This book is among the first to present an edited collection of chapters on digital and influencer marketing authored by many who are either from or have close ties to Africa This book showcases digital marketing trends in Africa that are burgeoning at the same speed as the uptake of technology in the continent With this in mind the contributors seek to interrogate digital marketing trends in two stages the status of digital marketing on the African continent including cases from Nigeria Egypt Uganda and Kenya and an analysis of the rise of influencer marketing including cases from Nigeria and Uganda This book will explore factors driving the increase in digital media platforms in Africa as well as an analysis of the implications of the growth in digital marketing using various theoretical and methodological underpinnings to probe trends Digital Public Relations and Marketing Communication Trends in Africa provides significant implications for marketing scholars and researchers and will be relevant to those looking to understand the opportunities and challenges ahead

African Theocology Ebenezer Yaw Blasu, 2020-02-27 There is probably no set of issues of greater importance in the contemporary world than those that are to do with the Earth on which we live and depend The more alienated we become from it the more we contribute to our own destruction Christianity's complicity in this destruction is well documented and hotly debated Africa can ill afford to fall into the same trap that Western Christianity has in this regard One senses the urgency of these concerns in Blasu's African Theocology Studies in African Religious Creation Care Extremely well informed in the field Blasu not only draws on the three major religions in Africa Christianity Islam and African traditional religion but demonstrates familiarity with the most important recent contributions in the field from Western scholarship With its emphasis on pedagogics African Theocology will play a seminal role in the construction of curricula for an African Christian theology of the environment and is sure to be an essential

contribution to all libraries in institutions of higher learning **Scientific and Technical Aerospace Reports** ,1987

Climate Change Criminology Rob White,2020-04-01 Leading green criminologist Rob White asks what can be learned from the problem solving focus of crime prevention to help face the challenges of climate change in this call to arms for criminology and criminologists Industries such as energy food and tourism and the systematic destruction of the environment through global capitalism are scrutinized for their contribution to global warming Ideas of state corporate crime and ecocide are introduced and explored in this concise overview of criminological writings on climate change This sound and robust application of theoretical concepts to this new area also includes commentary on topical issues such as the US withdrawal from the Paris Climate agreement Part of the New Horizons in Criminology series which draws on the inter disciplinary nature of criminology and incorporates emerging perspectives like social harm gender and sexuality and green criminology

New Challenges and Future Perspectives in Nutrition and Sustainable Diets in Africa Hettie Carina Schönfeldt,Gloria Essilfie,Yunyun Gong,2024-05-06 Africa is confronted with the triple burden of malnutrition it is also faced with the triple challenges of poverty inequality and unemployment In many African countries large proportions of the population rely on agriculture not only for their food but also for their livelihoods A transformed agricultural and food system is thus a necessary condition for addressing this double triple challenge Additionally post harvest and food waste and losses reduce the availability of sufficient quantities of safe edible and preferable foods At least one third of food produced at farm level is lost due to inappropriate storage infrastructure and agro processing technologies in developing countries and one third of food purchased is wasted at household and retail level

Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **Teccnical University Of Kenya April 2015 Intake**

In a world inundated with screens and the cacophony of immediate communication, the profound energy and psychological resonance of verbal artistry frequently fade into obscurity, eclipsed by the regular barrage of noise and distractions.
