

Timothy Winters

Simile - shows that his ears are damaged and lumpy.

Metaphor - A disaster of a boy - dates poem to near World War Two.

Clothes are ragged and holey.

Metaphor - highlights how hungry and poorly fed he is.

Neglected to the point of child abuse.

Euphemism - his dad is an alcoholic.

Gran is a drunk too.

Social worker wants to help but can't.

Timothy prays louder than anyone else for people poorer than he is.

Timothy Winters comes to school
With eyes as wide as a football-pool,
Ears like bombs and teeth like splinters:
A blitz of a boy is Timothy Winters.

His belly is white, his neck is dark,
And his hair is an exclamation mark.
His clothes are enough to scare a crow
And through his britches the blue winds blow.

When teacher talks he won't hear a word
And he shoots down dead the arithmetic-bird.
He licks the pattern off his plate
And he's not even heard of the Welfare State.

Timothy Winters has bloody feet
And he lives in a house on Suez Street,
He sleeps in a sack on the kitchen floor
And they say there aren't boys like him anymore.

Old Man Winters likes his beer
And his missus ran off with a bombardier,
Grandma sits in the grate with a gin
And Timothy's dosed with an aspirin.

The welfare Worker lies awake
But the law's as tricky as a ten-foot snake,
So Timothy Winters drinks his cup
And slowly goes on growing up.

At Morning Prayers the Master helves
for children less fortunate than ourselves,
And the loudest response in the room is when
Timothy Winters roars "Amen!"

Simile - highlights how rotten his teeth are.

Unwashed

Metaphor - highlights that hair is a mess.

Won't pay attention.

Metaphor - emphasizing how much he hates maths.

No shoes

People don't believe that kids are still treated this way - but they are.

Mum ran off with a soldier.

Timothy drugged to keep him quiet.

Double meaning - Timothy grows slowly because he is malnourished. Time passes slowly because he is unhappy

Timothy Winters Poem Similes And Metaphors

John Bugg

Timothy Winters Poem Similes And Metaphors:

How to be a Brilliant English Teacher Trevor Wright, 2012-06-14 Now in its second edition Trevor Wright's hugely popular *How to be a Brilliant English Teacher* is packed with practical advice drawn from his extensive and successful experience as an English teacher examiner and teacher trainer. This accessible and readable guide offers sound theoretical principles with exciting practical suggestions for the classroom. Fully updated to include a new expanded section on differentiation and inclusion as well as covering new material on behaviour management and teaching poetry for enjoyment and personal response, this book tackles other tricky areas such as Starting with Shakespeare, Effective planning and assessment, Learning to love objectives, Working small texts and big texts. Drama Trainee teachers will find support and inspiration in this book and practising English teachers can use it as an empowering self-help guide for improving their skills. Trevor Wright addresses many of the anxieties that English teachers face, offering focused and realistic solutions. if Rachel Kelly, Allie Esiri, 2012-10-04 In this magical collection of our best loved poems, discover the joy, solace and beauty of poetry with your family. Whether you're after a poem that is charming, funny, sad, silly, magical, sleepy, long or short, there's something in here for everyone. From Lear's *The Owl and the Pussycat* to Tennyson's *The Charge of the Light Brigade* to Eliot's *Macavity the Mystery Cat*, these are poems to carry with you all your life. **How to be a Brilliant Trainee Teacher**

Trevor Wright, 2007-08-07 This cheerful and accessible book is packed with direct and straightforward advice drawn from the author's extensive and successful personal experience as teacher, trainer, teacher and examiner. It sets out clear and practical guidelines to support your training and enhance your teaching, moving you directly towards a real understanding of how and why pupils learn and of how you can enhance your own progress. It also offers reassurance and support with the difficulties which you might encounter through your training as a teacher. Why won't Year 8 actually do anything? Why do we have to read all this theory? I know my pace and timing need improvement but what do I actually do about it? Why haven't I moved forward at all in the last four weeks? It does this by outlining strategies for organization, exploring issues of personal development, demystifying areas often seen as difficult or complex, providing achievable and practical solutions, directly addressing anxieties. Although a practical book at its heart, it lies essential principles about good teaching and learning. It is anecdotal and readable and may be dipped into for innovative lesson ideas or read from cover to cover as a short, enjoyable course which discovers exciting teaching principles in successful practical experience. The book is ideal for secondary trainee teachers but the underlying principles about what makes a brilliant trainee teacher are applicable to primary trainees too.

Discovering Poetry Denise Scott, 1993 This introduction to poetry provides over 100 thematically grouped poems in a variety of styles. Activities such as discussions, games and performances help students understand the meaning, form and language of poetry and reinforce the main message of the book that poetry is fun. **Belonging and Estrangement in the Poetry of Philip Larkin, R.S. Thomas and Charles Causley** Rory Waterman, 2016-04-22 Focusing on the significance of

place connection and relationship in three poets who are seldom considered in conjunction Rory Waterman argues that Philip Larkin R S Thomas and Charles Causley epitomize many of the emotional and societal shifts and mores of their age Waterman looks at the foundations underpinning their poetry the attempts of all three to forge a sense of belonging with or separateness from their readers the poets varying responses to their geographical and cultural origins the belonging and estrangement that inheres in relationships including marriage the forced estrangements of war the antagonism between social belonging and a need for isolation and finally the charged issues of faith and mortality in an increasingly secularized country **Presenting Poetry** Thomas Blackburn, University of London. Institute of Education, 1966 **How to Teach**

Poetry Amy Z. Davies, Florence Stratton, 1984 **Five Long Winters** John Bugg, 2013-12-18 This book argues that the British government's repression of the 1790s rivals the French Revolution as the most important historical event for our understanding the development of Romantic literature Romanticism has long been associated with both rebellion and escapism and much Romantic historicism traces an arc from the outburst of democratic energy in British culture triggered by the French Revolution to a dwindling of enthusiasm later in the 1790s when things in France turned violent Writers such as Wordsworth and Coleridge can then be seen as apostates who turned from radical politics to a poetics of transcendence Bugg argues instead for a poetics of silence and his book is set against the backdrop of the so called Gagging Acts and other legislation of William Pitt which in literature manifests itself stylistically as silence stuttering fragmentation and encoding Mining archives of unpublished documents including manuscripts diaries and letters where authors were more candid as well as rereading the work of both major and minor figures a number of whom were subject to prison sentences **Five Long Winters** offers a new way of approaching the literature of the Romantic era **Dancing with Metaphors in the Pulpit**

Rodney Wallace Kennedy, 2024-07-30 **Dancing with Metaphors in the Pulpit** is a prequel to the writing and delivery of the sermon The work of invention which includes the gathering of material is the primary focus of the book The hard work of preaching takes place in the thinking reading and writing The cross disciplinary study provided here covers lessons learned by preachers and by novelists poets philosophers and rhetoricians **Scottish Literary Journal**, 1980 **Contemporary Poets** Tracy Chevalier, 1991 Contains biographical entries a list of separately published books and an essay on each poet

The Metaphysics of Sound in Wallace Stevens Anca Rosu, 2016-12-13 Demonstrates that Wallace Stevens's experimentation with sound is not only essential to his poetics but also profoundly linked to the pragmatist ideas that informed his way of thinking about language **More in Time** Jessica Poli, Marco Abel, Timothy Schaffert, 2021-03 **More in Time** is a celebration and tribute to two time United States Poet Laureate Ted Kooser **Contemporary Poets** James Vinson, D. L. Kirkpatrick, 1985 **Gramophone Spoken Word Catalogue**, 1990 **New Englander and Yale Review** Edward Royall Tyler, William Lathrop Kingsley, George Park Fisher, Timothy Dwight, 1848 *The Columbia Granger's Index to Poetry in Anthologies*, 1997 *Hodoeporics* Luigi Monga, 1996 **The Southern Review**, 1977 **AdI**, 1996
