Humanist Christology of Paul Juan L. Segundo,2007-09-01 Segundo s groundbreaking exegesis focuses chiefly on Paul s treatment of sin faith and the impact of their intersection on human existence In a brilliant concluding chapter Segundo rejects liberation theology s reading of Paul as apolitical and shows how Paul s thought opens up for us a humanizing political realm that no repression can control or render useless This profound and passionately written study will fascinate advanced students and scholars for years to come
