Kayla Drew Strickland,T. M. Edwards,2019-01-19 Note This is a SHORT READ in the collection Tales of Courage From Beyond the Apocalypse Each book in the collection is designed to be read in an hour or less and is not a full novel They can be read in any order and connect to one or more other stories in the collection through characters or events but are not sequential and it's not necessary to have read one to read the others Marital troubles are tough Finding out your husband's plan to escape the zombie apocalypse involves picking up his secret girlfriend along the way What's the saying Something about hell fury and women scorned Yeah hell's got nothing on Kayla right now Which is probably a good thing considering it's the end of the world and all She may be pushing 40 and she may not be as young as the other girl but don't underestimate a woman with a car a shovel and a lot of rage It's just too bad Eric's extracurriculars already infected him and neither of them will be around to see Kayla triumph over the hand life's dealt her The zombie apocalypse will never know what hit it Check out the other stories in the collection Robin Roger Amy Thelma Keiko *Undead War: Tales of the Zombie Apocalypse* Dead Guns Press,2015-12-08 The Undead War means a battle of survival for the remaining pockets of humanity It's the only thing that matters these days Survive and win at all cost The old ways of life mean nothing anymore Those God forsaken 9 to 5 jobs the bills the corporate empires politicians bickering over stupid crap all those laws on the books and everything that meant anything were swept aside That includes those nice big screens televisions computers jewelry gold those fancy cars and the money that everyone slaved their asses off to get it don't mean a damn thing anymore When those things came back to life the governments said they were going to eradicate the undead the zombies zekes ferals walkers or whatever those damned things are being called these days but instead the governments the world over just collapsed There's nothing left of the old ways of life just the surviving and dying Living with the Living Dead Greg Garrett,2017-05-01 In Living with the Living Dead Greg Garrett shows that the zombie apocalypse has become an archetypal narrative for the contemporary world in part because zombies can represent a variety of global threats from terrorism to Ebola from economic uncertainty to mental illness But paradoxically this narrative also offers human beings a chance to find emotional and spiritual comfort these apocalyptic stories about individuals facing the imminent prospect of grisly death also offer us wisdom about living in community present us with real world ethical problems and invite us into a conversation about what it means to survive

The world was tough for one insecure non binary teen but when a zombie apocalypse changed the world Avery steps up to become the kick ass leader that was always buried deep inside them Labelled as weird and different by their peers Avery had struggled to find acceptance in their small town high school But despite the social isolation Avery had always found solace in their love for science fiction and horror movies So when a parasitic virus sweeps across the world turning humans into mindless hosts for the infected Avery is oddly prepared They had always imagined what it would be like to survive a zombie apocalypse and now that is actually happening Avery is determined to make it through But surviving in a world overrun by zombies is no easy task The military has been called in to try and contain the virus but their efforts has only resulted in the destruction of entire towns and cities Avery knows that they must find a way out before it is too late Luckily Avery isn t alone They had always looked up to River a popular non binary student at their school and when the virus hit River had is one of four other survivors thanks to Avery The five teen survivors quickly form a bond and together they fight for their lives The group consists of four other students from Avery s school each with their own unique strengths and weaknesses There is Charlotte a computer science whiz who could hack into the military s systems Juniper a quiet but deadly archer with a knack for survival skills Ryan a former football player with a tough exterior and finally River the charismatic and popular friend who inspires the group to keep going even when things seemed hopeless Avery took charge of the group using their knowledge of horror movies and survival tips to guide them through the dangerous landscape of the zombie infested world They led the group through abandoned cities and towns scavenging for supplies and fighting off zombies and gangs along the way But even with Avery s leadership and River s charisma the group was constantly on the brink of collapse The world had become a dark and dangerous place and it seemed like there was no end in sight But Avery refused to give up They knew that there were still good people out there and they were determined to find them And so the group continued on their journey facing obstacles and challenges at every turn But through it all they remained united driven by a fierce determination to survive and to find a new world where they could finally be free *Lost Souls* Beau Johnston,2024-11

Greetings weary traveller I applaud you for your instincts your survival skills and your tenacity The Zombie Apocalypse is no place for the timid or the weak willed You have proved your worth by surviving for many weeks under the most challenging and unforgiving circumstances None of us had any warning of what lay ahead so everyone had the same chances of survival Some had better survival skills than others Some had a much stronger will to live than others Some simply were in the right place at the right time when Hell unleashed its horde of undead minions You are intimately familiar with your own tale of survival You ve lived

its highs its lows the heart breaking decisions you ve had to make along the way and the terrifyingly close calls that nearly cost you your life In the absence of news you might be curious to know how this whole mess started or what others had to do to survive or how their choices cost them dearly In your hand you hold twenty four tales of honour horror courage and cowardice And yes the origin story of the Zombie Apocalypse In this tome you will find answers to your questions but not solace I promise you your curiosity will cost you dearly **FINAL STAND** TAYLOR Z.
