Bissert, 2009-12 Where do you go for the latest news Is it ABC CBS NBC Fox News CNN CBN The word news implies something new but actually it is old events that have already happened However for something that has not already occurred but will in the days ahead there is only one Book that can reveal tomorrow s news today A Fresh Look At Four End Time Prophecies examines four of the Bible s prophecies that are looming on the horizon If you are interested in real news you may find A Fresh Look At Four End Time Prophecies will reveal some headlines that are still months or years away from reaching the ears of the news media The events that are currently occurring are at last helping to put the pieces of the prophetic puzzle together thus justifying a new assessment of Biblical revelation of tomorrow s news **The Islamic Antichrist** Joel Richardson, 2009 In The Islamic Antichrist Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away His book will stun readers unaware of the similarities between the Antichrist and the Islamic Jesus His research on the relationship between Christian end time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come This is the book to read to understand Islam s potential role in fulfilling the prophecies of the Bible Page 2 of cover Romans Bruce Bickel, Stan Jantz, 2004 Combining the biblical content of a commentary with the life applications of a Bible study bestselling authors Bruce Bickel and Stan Jantz distill important Bible truths in user friendly portions and communicate them with amazing clarity Paul s letter to the church in Rome is his clearest explanation and application of the Good News about Christ the power of God at work This fresh new study of Romans assures readers that the gospel is God s answer to every human need and helps them catch Paul s burning desire to spread the message of salvation Thirteen chapters blend helpful background information with up to date applications of the gospel to everyday life Individual readers and groups will appreciate the open ended thought provoking questions following each chapter **Death Is at Your Door Are You Ready?** Randy Thomas, 2007-08-01 If only death were that simple wouldn t we all live differently if we knew exactly when death would come

knocking on our door Most of us think that we have a whole lot of years left before we even have to start thinking about death What if I could prove to you that not only is the time of death s visitation rapidly approaching for us all but that his foot is already in the door What if I could show you signs that were written thousands of years ago that warn us that we are about to enter into a time of unparalleled death and devastation that make all previous such events pale by comparison Would knowing what is going to happen tomorrow change how you live today Today just may be the most important day of your life the things that you are about to read will most assuredly impact you for the rest of your life Death is at your door doom is just around the corner and uncertainty is all around us but just beyond the horizon lays hope **Revelation, the Rapture, and**

What Jesus Says Brian Davis,2024-04-08 When it comes to the last days God has provided believers with everything we need to know about what is coming This includes the order of events to take place and even at what point the rapture will occur When teaching on these subjects Jesus goes as far as telling us But take heed behold I have told you everything in advance Mark 13 23 Brian Davis examines the words of Jesus and compares His teachings directly to scriptures in the Old and New Testaments with a focus on the timing of the rapture the day of the Lord and how they relate to events in the book of Revelation Having maintained particular attention to scriptural harmony throughout the study it is possible for anyone to see the undeniable consistency in end time events discussed by Jesus the apostles and Old Testament prophets The result provides answers to many questions including What did Jesus teach about end time events How do His teachings compare to events as described in the rest of the Bible What is the day of the Lord Are the seals a part of God s wrath How do our beliefs today align with what Jesus the prophets and the apostles taught Using simple language and biblical insights Revelation the Rapture and What Jesus Says is tailored for both beginners and those who have studied prophecy for years to help understand critical teaching in the Bible that details what the world may soon be about to face **The Symmetry Solution:**

A Modern View of Biblical Prophecy ,2009-12-29 Contemporary clergy often tell us the Lord s return is imminent but unknowable and that Antichrist is anticipated but unrecognizable prior to his debut Does the Bible veil our advance understanding or does a loving all powerful God show us the way before the great and dreadful day of the Lord With uncommon insight David Smith unites history and mathematics to illustrate a revolutionary idea of prophetic symmetry The Symmetry Solution is not another prophecy book If you are looking for an original work that provides groundbreaking answers to the Lord s wonderfully concealed prophecies The Symmetry Solution is for you **Global Warning** Tim F. LaHaye,Edward E. Hindson,2007 Combines ancient Bible prophecies with current events to reveal the signs that serve as a global warning that predicts the end of the world **Explosive New Info on Revelation with Never Before Seen Scrolls**

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

The Time Is Near Ian Foley, PhD, 2014-10-02 Evidence is accumulating that the current global civilization we enjoy is rapidly moving toward a crisis of expensive resources water security global warming and potential military conflict centred in the Middle East The Bible suggests that God anticipated the situation we see today as an inevitable outcome of our selfishness and greed In this first of two volumes author Ian Foley proposes the idea that the decline and collapse of this civilisation is part of the end time picture that the Bible gives The Old Testament book of Daniel lays out the first half of this picture starting from the Jewish exile to Babylon at the beginning of the sixth century BC and tracing the rise and fall of ancient empires It then introduces the founder of the final empire which will be completed when Jesus returns Through all this history Daniel depicts the tiny nation of Israel surviving exactly as the prophet Jeremiah predicted Like an unfolding detective story God s drama is revealed piece by piece so that we gradually come to understand up until the fall of the Roman Empire with the final exciting

revelation in Daniel 11 12 completing the picture This study begins to reveal why there is so much confusion with our end time theologies and suggests a new revelation that is clearer and less ambiguous integrating the books of Daniel and Revelation into a single unambiguous message Coming Home! Carol Crown,2004 A fascinating examination of the Bible s influence on seventy three self taught artists and 122 works of art **The Truth Behind Left Behind** Mark Hitchcock,Thomas Ice,2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind s biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event **Story Behind the Book** With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series Wrath and Glory Dr. David Reagan,2001-08-01 Jesus is coming soon in Wrath and Glory The Revelation Even the name of this last book of the Bible is intimidating Sadly that fact combined with the meandering even bizarre interpretations over the years caues many Christians to ignore Revelation Thankfully in Wrath and Glory David Reagan allows Scripture to speak for itself By exploring the many differing views of this mysterious book he encourages the reader to examine Revelation for its plain sense meaning The Bible tells us that people who read and hear the Book of Revelation will be blessed Many are missing a blessing Dr Reagan one of America s leading experts on Bible prophecy shines a light on the remarkable hope presented in this unveiling of Jesus Christ in His glory This is a book for all denominations and all ages lifting up a book for the ages **Prophecy's Architecture: How to Build an End-Times Doctrine** Cameron Fultz,2005-05 With so much debate these days over the timing and sequence of end times events is there any hope of believers settling issues like the start of the 70th Week the Second Coming of Christ and the rapture of the Church in their own minds The answer is unequivocally yes Cameron Fultz an end times prophecy teacher and architect by trade argues that like a well designed building a biblical doctrine any biblical doctrine must start with a good foundation This foundation must be built using the clearest most explicit verses that directly address the subject at hand On this foundation we lay the secondary verses to add depth to the interpretation followed by the tertiary verses which layer on beauty and fine detail In these pages Fultz outlines this methodology then uses it to build a doctrine on the issue of end times timing and sequence He starts by listing all of the verses that address the subject both directly and indirectly then builds the doctrine piece by piece Using simple logic and precision combined with abundant charts for easy comprehension Fultz illustrates how

like a well designed building good biblical exegesis results in a precise trustworthy result Prophecy s Architecture will challenge those who are already committed to or unsure about today s ready made explanations and give others who don t know what they believe a systematic method for discovering answers for themselves Galatians Bruce Bickel,Stan Jantz,2008 Free Unearned A gift God s acceptance comes with no strings attached as you trust in His Son Jesus This is the whole gospel But for 2000 years Christians including the first century Galatians have often believed they must add performance requirements to the gospel in order to truly earn God s approval Listen in as the apostle Paul blows the lid off this selfdeception by explaining why the Good News becomes bad news when you mix it with rules how to sniff out people who are promoting a false rules added gospel why adding requirements to God s grace actually subtracts from your enjoying Christ why trust is the only thing needed to receive God s grace and live in it day to day Galatians shows you that life in God s Spirit through His grace is still His plan for freedom so you can live out your full potential as His child Book jacket *The Riddle of the Frogs (An End Times Essay)* Richie Cooley,2019-01-19 There are interesting allegorical teachings uncovered when the occurrences of frogs are considered in the Bible Join me as I relate these fascinating details This booklet has been newly revised **The End Times Controversy** Tim F. LaHaye,Thomas Ice,2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future **The End Times Survival Guide** Mark Hitchcock,2018 In The end times survival guide you will discover ten spiritual tools the Bible relates directly to our preparation for the Lord s coming ten biblical survival strategies to live out in these last days so you and your family can prosper in an increasingly decaying darkening world These strategies won t guarantee your physical or financial well being but they are guaranteed to bring life and vitality to your spiritual health and welfare as you cling to the immovable rock of God s Word
