permanent change **Tighten Your Tummy in 2 Weeks** Ellington Darden, 2015-08-18 Tighten Your Tummy in 2 Weeks is a revolutionary new program that triggers hormones to burn more fat and melt pounds and inches primarily from the belly. A woman's tummy has now replaced her thighs as the most troublesome body part. Seventy six percent of women surveyed in 2014 admitted that they were unhappy with their midsection. And a large tummy is a warning sign of significant potential health issues. QUESTION How would you like to lose 14 inches from your waist and 14 pounds of body fat in only 14 days? The proof is in the pictures. 41 women at Gainesville Health Fitness in Florida tested the Tighten Your Tummy in 2 Weeks program under the direction of fitness expert Ellington Darden PhD who documented success stories with remarkable before and after photographs. Readers can expect results similar to Dr Darden's test panel. For example in just 2 weeks Roxanne Dybevic 54 lost 15.08 pounds, Angela Choate 68 lost 14.8 pounds, Katie Fellows Smith 60 lost 14.51 pounds, Denise Rodriguez 34 lost 14.49 pounds, Brianna Kramer 23 lost 14.26 pounds. What causes such rapid loss of midsection flab? The answer is Dr Darden's remarkable 5 step formula: 1 A special at home resistance exercise technique called 15 15 15 plus 8 to 12 triggers fat cells to burn and release fat effectively, spot reducing the belly. 2 A carbohydrate rich eating plan of five or six small meals a day. Yes carbs are okay. A bagel for breakfast is on the daily meal plan. 3 Extra sleep at night and a nap during the day to turbo charge the shrinking of pounds and inches. 4 A tummy tightening trick called the inner abs vacuum that is performed before every meal. 5 Sipping ice cold water all day long which synergizes the loss of fat and the strengthening of muscle. What Women Like You Are Saying About the Tighten Your Tummy Program: I've rediscovered my hour glass figure. My jeans fit again, they feel like an old friend. The Power Start Diet made me feel powerful and I like that feeling. I love the person I now see in the mirror.
