Christmas Locket Barbara McMahon, 2016-11-10 Christmas alone. Caitlin chooses to spend her Christmas break from teaching this year clearing out the family home in southern Virginia recently left to her instead of enjoying the fun at her friends' wild family celebration. Soon she begins to question if this is the wisest move. Being alone makes it especially hard with the decisions she needs to make. A determined man Zach doesn't find the homecoming he expects when he pulls out all the stops to get home for Christmas. Chasing after Caitlin is not how he planned to spend his holiday. Things have a way of going off track unless a determined man can find a way to change the past. A Christmas locket. It would take a miracle to bridge the gap between them. Will the locket prove to be the key? Or will the new year find them going their separate ways once again this time forever? *A Sheikh of Her Own* Barbara McMahon, 2017-03-27 Bridget Rossi is thrilled at the invitation to visit the Mediterranean estate of a real sheikh and the chance to immerse herself in a fairy tale setting for three weeks.

In sharp contrast to his other guests interested in a good time Bridget weaves her special kindness into the very fabric of his family. The jaded sheikh has to ask himself is he a fool to believe Bridget's genuine? Or is she another gold digger out for what she can get? His partner had been instrumental in growing the company. Noelle had married the boss and stopped work years ago. Yet Trevor's last wish was she become a full partner. Her lack of knowledge was enough to refuse but the attraction Linc's felt for her all these years will be almost impossible to deal with if she moves to San Francisco. They had once worked together but neither expected the change that brought them back together. Can moving on provide a way to lasting love and happiness?
