Redeeming Words David Michael Kleinberg-Levin, 2013-10-21 In this probing look at Alfred Döblin's 1929 novel *Berlin Alexanderplatz* and the stories of W G Sebald *Redeeming Words* offers a philosophical meditation on the power of language in literature David Kleinberg Levin draws on the critical theory of Benjamin and Adorno the idealism and romanticism of Kant Hegel Hölderlin Novalis and Schelling and the nineteenth and twentieth century thought of Nietzsche Heidegger and Derrida He shows how Döblin and Sebald writers with radically different styles working in different historical moments have in common a struggle against forces of negativity and an aim to bring about in response a certain redemption of language Kleinberg Levin considers the fast paced staccato and hard cut sentences of Döblin and the ghostly languorous and melancholy prose fiction of Sebald to articulate how both writers use language in an attempt to recover and convey this utopian promise of happiness for life in a time of mourning R.C. Hutchinson Barry Webb, 2025-04-24 Biographical and critical study on the often forgotten but talented 20th century writer R C Hutchinson *My Brother Jonathan* Francis Brett Young, 1928 This novel concerns Wednesford Cottage Hospital which had been founded by Sir Joseph Hingston The hospital has become a private nursing home run by unscrupulous doctors and Jonathan a young physician successfully opposes them so that the poor can once again benefit from it Place and atmosphere play an essential part in the story with the opposition of Higgin's buildings and Wolverbury Road where the middle class lives *Literary News*, 1903 **Critical Children** Richard Locke, 2013-07-16 The ten novels explored in *Critical Children* portray children so vividly that their names are instantly recognizable Richard Locke traces the 130 year evolution of these iconic child characters moving from *Oliver Twist* David Copperfield and Pip in *Great Expectations* to Tom Sawyer and Huckleberry Finn from Miles and Flora in *The Turn of the Screw* to Peter Pan and his modern American descendant Holden Caulfield and finally to Lolita and Alexander Portnoy It is remarkable writes Locke that so many classic or let's say unforgotten English and American novels should focus on children and adolescents not as colorful minor characters but as the intense center of attention Despite many differences of style setting and structure they all enlist a particular child's story in a larger cultural narrative In *Critical Children* Locke describes the ways the children in these novels have been used to explore and evade large social psychological and moral problems Writing as an editor teacher critic and essayist Locke demonstrates the way these great novels work how they spring to life from their details and how they both invite and resist interpretation and provoke rereading Locke conveys the variety and continued vitality of these books as they shift from Victorian moral allegory to New York comic psychoanalytic monologue from a child who is an agent of redemption to one who is a narcissistic prisoner of guilt and proud rage R.C. Hutchinson, *the Man and His Books* Robert Green, 1985 **All the World on a Page** Andrew Kahn, Mark Lipovetsky, 2025-04-15 The rich and ongoing development of Russian lyric poetry explored through close readings of thirty four poems by poets ranging from Alexander Blok to Maria Stepanova The Russian cultural tradition treats poetry as the

supreme artistic form with Alexander Pushkin as its national hero Modern Russian lyric poets often on the right side of history but the wrong side of their country's politics have engaged intensely with subjectivity aesthetic movements ideology usually subversive and literature itself All the World on a Page gathers thirty four poems written between 1907 and 2022 presenting each poem in the original Russian and an English translation accompanied by an essay that places the poem in its cultural historical and biographical contexts The poems both canonical and lesser known works extend across a range of moods and scenes Velimir Khlebnikov's Futurist revolutionary prophecy Anna Akhmatova's lyric cycle about poetic inspiration Vladimir Nabokov's Symbolist erotic dreamworld Joseph Brodsky's pastiche of a Chekhovian play set on a country estate Maria Stepanova's pandemic allegory of political repression Galina Rymbu's energetic manifesto My Vagina An introduction explores the abiding inspiration of modernism on the Russian lyric tradition Kahn and Lipovetsky's separate chapter essays informed by extensive knowledge of the existing scholarship and critical styles of interpretation consider how the interplay of originality and tradition and form and voice work to engage the reader The poems themselves many of them in newly commissioned translations operate outside state mandated poetic styles to address the reader directly t t e t e as Brodsky said in his 1987 Nobel lecture With each chapter devoted to a different poem All the World on a Page allows readers to experience the richness of Russian poetry through poems and poets rather than through movements Bookseller's catalogues Myers and co, ltd,1891 *British Murder Mysteries: 350+ Detective Novels & True Crime Stories in One Volume* Arthur Conan Doyle,Ernest Bramah,Arthur Morrison,Agatha Christie,Wilkie Collins,Thomas W. Dutt,2013-11-12 Ancient India like ancient Greece boasts of two great Epics One of them the Maha bharata relates to a great war in which all the warlike races of Northern India took a share and may therefore be compared to the Iliad The great war which is the subject of this Epic is believed to have been fought in the thirteenth or fourteenth century before Christ The war thus became the centre of a cycle of legends songs and poems in ancient India the vast mass of legends and poetry accumulated during centuries was cast in a narrative form and formed the Epic of the Great Bharata nation and therefore called the Maha bharata The real facts of the war had been obliterated by age legendary heroes had become the principal actors and as is invariably the case in India the thread of a high moral purpose of the triumph of virtue and the subjugation of vice was woven into the fabric of the great Epic **The Ramayana and the Mahabharata** Vālmīki,1910 **Puritan**

Boston and Quaker Philadelphia ,1996-01-01 Based on the biographies of some three hundred people in each city this book shows how such distinguished Boston families as the Adamses Cabots Lowells and Peabodys have produced many generations of men and women who have made major contributions to the intellectual educational and political life of their state and nation At the same time comparable Philadelphia families such as the Biddles Cadwaladers Ingersolls and Drexels have contributed far fewer leaders to their state and nation From the days of Benjamin Franklin and Stephen Girard down to the present what leadership there has been in Philadelphia has largely been provided by self made men often like Franklin born outside Pennsylvania Baltzell traces the differences in class authority and leadership in these two cities to the contrasting values of the Puritan founders of the Bay Colony and the Quaker founders of the City of Brotherly Love While Puritans placed great value on the calling or devotion to one's chosen vocation Quakers have always placed more emphasis on being a good person than on being a good judge or statesman Puritan Boston and Quaker Philadelphia presents a provocative view of two contrasting upper classes and also reflects the author's larger concern with the conflicting values of hierarchy and egalitarianism in American history *The English Catalogue of Books Published from January, 1835, to January, 1863* ,1864 The Odyssey Of Homer Andrew Lang,1924 This book contains one of the most famous literary works in history The Odyssey rendered into beautiful English prose There can be however it appears no final English translation of Homer In each there must be in addition to what is Greek and eternal the element of what is modern personal and fleeting A prose translation cannot give the movement and the fire of a successful translation in verse it only gathers as it were the crumbs which fall from the richer table only tells the story without the song Yet to a prose translation is permitted perhaps

that close adherence to the archaisms of the epic which in verse become mere oddities *Routledge Revivals: John Phillips and the Business of Victorian Science (2005)* Jack Morrell, 2016-10-04 First published in 2005 this book represents the first full length biography of John Phillips one of the most remarkable and important scientists of the Victorian period Adopting a broad chronological approach this book not only traces the development of Phillips career but clarifies and highlights his role within Victorian culture shedding light on many wider themes It explores how Phillips love of science was inseparable from his need to earn a living and develop a career which could sustain him Hence questions of power authority reputation and patronage were central to Phillips career and scientific work Drawing on a wealth of primary sources and a rich body of recent writings on Victorian science this biography brings together his personal story with the scientific theories and developments of the day and fixes them firmly within the context of wider society
