4. Complete sessions in one go or split into 2
5. Repeat a week if you find it too hard.

The Greatest Guide to Life Coaching Simone Ryder, 2011 Life Coaching

Vienna Tales Helen Constantine, 2014-11-13 Situated on the cusp of West and East between the foothills of the Alps and the mighty Blue Danube Vienna has long presented authors with a wealth of material for stories that entertain and intrigue The city's famous quality of life and rich variety of cultural offerings is apparent here at every turn but so too is its darker side whether it be the Viennese obsession with death and decay or the dramatic tragic events of its twentieth century history In stories from the early to mid nineteenth century in particular the city stands for wine women and song for a laid back perhaps somewhat lax outlook on life that is invariably linked to its location as German culture's southernmost centre In more recent tales the theme of the good life and of Vienna's beauty continues but there are very few authors who do not dwell on elements of darkness or melancholy Indeed from the mid twentieth century onward death itself seems to have become literature's preferred guide to the city The

collection concentrates on stories set at the city's margins. The tales are arranged geographically rather than chronologically around and through the city from west to east and back again. We begin and end with Arthur Schnitzler and Joseph Roth, two authors already indelibly associated with Vienna but represented here by little-known gems translated for the first time. Other authors include stars of Vienna's nineteenth-century feuilleton journalism: Heinrich Laube, Ferdinand Kürnberger, Adalbert Stifter, but also the most recent generation of Viennese writers: Doron Rabinovici, Eva Menasse, Dimitr Dinev, with tales as yet unknown in English.
