The Tiny Seed: Sequencing Activities

1. Sunflower Puzzle

Introduce sequencing puzzle with 10 pieces cut out from front cover and last back cover to match picture pieces to their parts and to prepare for sequencing. Show the (empty) wooden puzzle board and spread out all the 10 puzzle pieces and then say, "Let's see how a sunflower grows!" Present the first page of the front cover and last back cover, and talk through the first (2) pictures e.g. "First, the seed in the earth grows a short stem and little leaves!" Then encourage your child to find the puzzle piece that matches the picture. (ask place it first on top of the picture, then into the wooden puzzle board) Then talk through the next (2) pictures, encourage your child to find the matching puzzle piece to place on the picture then into the wooden puzzle board. Continue with the next (2) pictures and matching puzzle pieces, and the last (4) pictures with the 4 matching puzzle pieces, until the puzzle is complete.

2. Sequencing Plant Growth and Seasons

From front cover and back cover cut pieces of 10 pictures in sequence. Show the back cover and the first set of 4 plant growth pictures, placed on the table randomly. (ask "Where's going to be the first plant to grow?" and encourage your child to place on the appropriate part of the back cover, sequencing on each stage. Do this same for all 5 sets (sunflower, apple tree, raspberry, then seeds into the ground) pictures, sequencing them in sequence in order and preparing for what happens to the tree in each season.

Sunflower and Cactus Pictures with backboard of Sunflower number 1-5

Present the Pictures of the sunflower and the cactus, pointing out the sun and rain and saying the different parts you can see together: roots, stem, leaves, flower etc.

Then show the backboard and present the backboard with a choice of relevant statements for each number 1-5.

Read out the photograph of one of the two. I think and ask which picture is like it, that is the same with the other no. I photograph. Show us the no. 2 and continue to the end.

Correct if the wrong one is chosen, by talking through.
