Stealing MySpace Julia Angwin, 2009-03-17 A few years ago MySpace com was just an idea kicking around a Southern California spam mill Scroll down to the present day and MySpace is one of the most visited Internet destinations in America displaying more than 40 billion webpage views per month and generating nearly 1 billion annually for Rupert Murdoch s

online empire Even by the standards of the Internet age the MySpace saga is an astounding growth story which climaxed with the site s acquisition by Murdoch s News Corporation in 2005 for a sum approaching one billion dollars But more than that it may be the defining drama of the digital era In *Stealing MySpace* Pulitzer Prize winning journalist Julia Angwin chronicles the rise of this Internet powerhouse With an unerring eye Angwin details how MySpace took the Internet by storm by grabbing the best ideas from around the Web encouraging pinup stars such as Tila Tequila to make their home on its pages and giving everyone freedom to experiment with online identities including using somebody else s identity *Stealing MySpace* introduces us to the site s founders Chris DeWolfe and Tom Anderson who dabbled in computer hacking online pornography spam and spyware before starting MySpace Although their street savvy doggedness and clubbing skills far eclipsed their tech prowess they stumbled their way to success and soon found themselves at ground zero of a high stakes war that pitted Rupert Murdoch against his frequent nemesis the combative Viacom CEO Sumner Redstone Angwin sheds light on the dizzying backroom deals that allowed Murdoch to snatch MySpace from Viacom s grasp even as the MySpace founders remained in the dark about their own fate Then she takes us inside the Murdoch empire as DeWolfe and Anderson lobby furiously to regain control of their creation Venturing beyond the business aspects of the story Angwin also explores the Internet culture a voyeuristic world in which MySpace must stay one step ahead of amateur pornographers sexual predators and spoofers who set up fake profiles Rupert Murdoch himself tolerates dozens of phony Ruperts on the site and cope with the general excesses and sometimes illegal acts of a community of account holders equal in number to the population of Japan In *Stealing MySpace* Julia Angwin dishes on the epic real world battle for control of a virtual empire In a savvy smart fast paced narrative reminiscent of Bryan Burrough and John Helyar s *Barbarians at the Gate* and Michael Lewis s *The New Thing* *Stealing MySpace* tells is the whole gripping story behind a breakout cultural phenomenon

To Have And To Hold Intermix Introduction

In the digital age, access to information has become easier than ever before. The ability to download To Have And To Hold Intermix has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download To Have And To Hold Intermix has opened up a world of possibilities. Downloading To Have And To Hold Intermix provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to

valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading To Have And To Hold Intermix has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download To Have And To Hold Intermix. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading To Have And To Hold Intermix. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading To Have And To Hold Intermix, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download To Have And To Hold Intermix has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
