Undead and Done MaryJanice Davidson,2016-10-04 Vampire Queen Betsy Taylor continues her rule in Hell in the scorchingly funny finale to the Undead series from New York Times bestselling author MaryJanice Davidson It had been a well kept secret for centuries but now the existence of vampires is all over the news thanks to Betsy Taylor's half sister and the frustrated former Antichrist Laura Life for the undead will never be the same and it's up to Betsy to do some damage control But her interview on the local news doesn't exactly put out the fire It more or less pours kerosene on it With all the added attention on supernatural beings the werewolves are more than a little agitated never a good thing and demand that Betsy gets her interview skills and her family in order And while things go from bad to worse in the world Hell continues to be hell especially when Betsy's new parole program becomes about as complicated as you'd expect With a PR team launching a vampire friendly campaign the devil at large and out to make trouble and mermaids on hand to see who falls and how hard the end isn't just near It's here And if anyone knows how to go out with a bang it's the queen of Hell

Undead and Unsure MaryJanice Davidson,2013-08-06 Vampire queen Betsy Taylor is back and there's going to be hell to pay After her recent trip to hell Betsy isn't exactly sorry she killed the devil even though it's put her sister Laura in a damnable position forced to assume the role of Satan she may not have the training but she sure looks great in red and in charge of billions of souls now that she's moved up in the world Or is that down But Betsy's in an odd new situation as well that of being a monarch suddenly in charge of all things earthbound like her husband Sinclair who has gone from relieved to ecstatic to downright reckless now that he can tolerate sunlight As if that wasn't enough Betsy and Sinclair's adopted little BabyJon is finally starting to walk And if the increasingly unpredictable toddler is anything like his extended family precisely where he's headed is anyone's guess

Undead and Unforgiven MaryJanice Davidson,2015-10-06 If Betsy Taylor has learned anything about ruling Hell it's 1 she can't do it alone and 2 she doesn't have to She's got the help of a devoted vampire king a dateless zombie an exhausted new mom an unshowered cop a bitchy ghost a kindly dead priest and her late stepmother Go Team Satan But the latest major hurdle in her post dead life is so big she can't even see it until it's on CNN Betsy's father and half sister Laura a former Anti Christ with a grudge have outed Betsy to the world It doesn't take long for the story to become 24/7 headline news What's more people are not only prepared to believe in vampires they want to kill them For Betsy social media has never felt so unsocial Before long the mansion on Summit Avenue is swarming with

reporters would be vampire zombie killers and desperate emos begging to be turned Betsy has been forced into the unenviable role as the reluctant face of the vampire nation All she knows is she has to look good and stay true to who she is H8ers be damned

Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and outlines the best-selling genre of all time, romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it, including fans searching for reading material as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.
