**Under the Spaniard's Lock and Key** Kim Lawrence, 2010 Nurse Maggie Ward is as pure as the snow white uniform she wears So when she falls for the enticing charms of darkly beautiful Rafael Castenadas she has no idea her unexpected meeting with him isn't accidental Not until it's too late and she's become tangled up in his carefully spun web and she's under his lock and key Rafael has had to take drastic measures to protect his family name But he's beginning to realise that he's not just interested in keeping Maggie quiet he wants to give her pleasure *The Spaniard's Summer Seduction* Kim Lawrence, 2013

**Under the Spanish Stars** Alli Sinclair, 2016-12-06 Previously published by Mira in Australia and New Zealand A life changing journey a family secret a passionate encounter 1945 When Katarina Sanchez is drawn into the world of flamenco she's forced to make a decision comply with her affluent family's rigid lifestyle or live a life of poverty but enjoy freedom and self expression Although Spain is crippled under a dictatorship Katarina finds love However the tragedy of war brings heartbreak An opportunity to right a past wrong arises yet it comes at a cost for Katarina save the lives of many or potentially lose the only man she's ever loved Present day Charlotte Kavanagh will do anything to fulfill the wishes of her ailing grandmother even if it means travelling to Spain to uncover the truth behind a mysterious painting As Charlotte explores Granada's ancient cobblestone streets she meets Mateo Vives a man with a dark past and the only person who can help Charlotte complete her quest As the secret surrounding the painting deepens she discovers her grandmother's connection to the Spanish underground Weighed down by secrets and betrayals Charlotte finds herself questioning the true meaning of heritage family and love *The Limits of Racial Domination* R. Douglas Cope, 1994-04-01 In this distinguished contribution to Latin American colonial history Douglas Cope draws upon a wide variety of sources including Inquisition and court cases notarial records and parish registers to challenge the traditional view of castas members of the caste system created by Spanish overlords as rootless alienated and dominated by a desire to improve their racial status On the contrary the castas Cope shows were neither passive nor ruled by feelings of racial inferiority indeed they often modified or even rejected elite racial ideology Castas also sought ways to manipulate their social superiors through astute use of the legal system Cope shows that social control by the Spaniards rested less on institutions than on patron client networks linking individual patricians and plebeians which enabled the elite class to co-opt the more successful castas The book concludes with the most thorough account yet published of the Mexico City riot of 1692 This account illuminates both the shortcomings and strengths of the patron client system Spurred by a corn shortage and subsequent famine a plebeian mob laid waste much of the central city Cope demonstrates that the political situation was not substantially altered however the patronage system continued to control employment and plebeians were largely left to bargain and adapt as before A revealing look at the economic lives of the urban poor in the colonial era *The Limits of Racial Domination* examines a period in which critical social changes were occurring The book should interest historians and ethnohistorians alike *A Handbook for Travellers in Spain*
