UNDERSTANDING HUMAN SEXUALITY ESPHAN NG'ANG'A,2009-07-31 Though sexuality is an important subject matter that should be taught in homes and in the church it has been neglected and treated as inconsequential Young and old alike look at sex as a taboo The church and the home should be the most appropriate forums where sexuality could be openly discussed but to the contrary the message we have received from the church and the home is that sex is unholy and shouldn t be discussed These key institutions have little or nothing to discuss about sex This is especially tragic because the believers who have faith in God who created sex and established its proper parameters should be able to speak more intelligibly and confidently about sex than anyone else Yet the community of believers is silent in the public forum in matters relating to sexuality whether because of embarrassment confusion timidity or a sense that the subject of sex is either too personal or not sufficiently spiritual for church to address publicly Mr Ng ang a has addressed this subject openly and with ardent scriptural instruction Understanding Human Sexuality is helpful to married couples and curious young people who have many questions about sex It is also an instruction manual for parents in guiding their curious children on the subject *Human Resource Management Study Guide* , Welcome to the forefront of knowledge with Cybellium your trusted partner in mastering the cutting edge fields of IT Artificial Intelligence Cyber Security Business Economics and Science Designed for professionals students and enthusiasts alike our comprehensive books empower you to stay ahead in a rapidly evolving digital world Expert Insights Our books provide deep actionable insights that bridge the gap between theory and practical application Up to Date Content Stay current with the latest advancements trends and best practices in IT Al Cybersecurity Business Economics and Science Each guide is regularly updated to reflect the newest developments and challenges Comprehensive Coverage Whether you re a beginner or an advanced learner Cybellium books cover a wide range of topics from foundational principles to specialized knowledge tailored to your level of expertise Become part of a global network of learners and professionals who trust Cybellium to guide their educational journey www.cybellium.com Study Guide for Sartain, North, Strange, and Chapman: Psychology: Understanding Human Behavior Virginia Crawford Chancey,1958 *Chinese Communication Theory and Research* Wenshan Jia,Xing Lu,D.
