A freedom fighter is honoured in all lands and in all times, because he fights for a noble cause which is the freedom of the motherland. Freedom is the birth right of man, but sometimes this right is denied to a nation by foreign rulers. As a result, armed conflict takes place between the freedom loving people and the occupation forces. Sometimes the war continues for years and if the people are united and determined the freedom fighters win and the country achieves independence. The people of Bangladesh fought a glorious War of Independence against the Pakistani occupation forces in 1971. In this great war the Bengali members of the armed forces, the students and the people from all walks of life took part. They fought for long nine months and defeated the well trained Pakistani forces. Bangladesh became a free country. The people who fought against the Pakistani army and the people who take part in the war are called the freedom fighters. Many of the freedom fighters sacrificed their lives for the cause of the motherland. We are indebted to these patriots for our freedom.
