Introduction to Ridesharing ,1987 *EBOOK: An Introduction to Human Resource Management* BLOISI, WENDY, 2006-12-16 *EBOOK An Introduction to Human Resource Management* *Marketing Moxie for Librarians* Paula Watson-Lakamp, 2015-05-07 Fun and easy to read this marketing and promotion guide offers you the big picture of how best to spend your limited funds and energy to create a successful marketing strategy from traditional promotions such as advertising and posters to social media marketing Robust resilient and flexible marketing is an absolute

necessity for today's libraries. Fortunately, marketing can be fun. Through this savvy guide, you'll discover a wealth of fresh, actionable ideas and approaches that can be combined with tried and true marketing techniques to serve any library. Focusing on building platforms rather than chasing trends, the book offers low and no budget ideas for those in small libraries as well as information that can be used by libraries that have a staff of professionals. The guide opens with an overview of the basics of marketing and continues through the numerous channels that should be incorporated into a modern day marketing strategy mix. Branding, merchandising, and media relations are covered, as are social media, new technologies, fundraising, and advocacy. You'll also learn how to use tools such as data-driven information gathering and email segmentation to help your library compete and stay relevant. Perfect for beginners, the book will be equally useful to seasoned communicators who are looking for creative ideas, new techniques, and innovative approaches to boost the effectiveness of their existing marketing efforts.

Introduction to the Computing Center University of Michigan Computing Center, 1978
Introduction to Homeland Security George Haddow, Jane Bullock, Damon Coppola, 2020-10-28
Written by renowned experts, *Introduction to Homeland Security* Sixth Edition informs users about the concepts and bedrock principles of homeland security. Readers will gain a solid appreciation of the broad range of topics that fall within the expanse of the homeland security umbrella and understand how and why they are so closely interconnected. The text will also provide an overview of the evolutionary process behind modern homeland security structures, which helps users to understand why certain functions exist and how they contribute to national and local security efforts. Unlike most books that focus solely on terrorism, this text covers an expansive range of homeland security topics, including all hazards, emergency management, cybersecurity, border and transportation security, immigration and customs enforcement, and others. Updated material to cover new developments in the field, such as increased terror attacks, cybersecurity safeguards, and administrative changes. A balanced account of homeland security in all of its aspects. Authoritative voices from content experts. Critical thinking exercises included for each topic.

Introduction to Emergency Management Jane Bullock, George Haddow, Damon Coppola, 2017-01-09
Introduction to Emergency Management sets the standard for excellence in the field and has educated a generation of emergency managers. Haddow, Bullock, and Coppola return for the sixth edition with an emphasis on climate change as a major hazard. Fully updated throughout for new regulations and workflows with new case studies covering the latest in best practices, this classic textbook prepares students for the challenges of a career in emergency management. Expanded information on disaster recovery coordination structures. Emphasis on climate change as a key hazard faced by disaster managers. Coverage of social media as a critical tool in emergency management. Fully updated throughout for the latest regulations and workflows. New examples and case studies throughout. Updated ancillaries to keep course instruction fresh.
