Broken Reflection Ravyn Brown, 2025-06-03 No one has ever thought twice about Sander Fox including himself And sometimes he wonders if it should have stayed that way After the shocking desecration of father's grave Sander finds himself determined to capture the culprit Frustratingly his investigation is cut short when he winds up behind bars himself But these are not the bars of his county jail these are the pristine white coated cells of an inter dimensional prison Sander is thrust into a world of secrets and lies and they all seem to lead back to his father's murder With the help of his newfound friends and fellow inmates he starts to discover how deeply his family is interwoven in this world and just how many enemies his father left behind some within the very walls of the prison No one has ever escaped inter dimensional prison before so if Sander is going to outrun his father's past he is going to have to trust the right friends
